

**SWARAJ SUITING LIMITED**  
Weaving the Future

# Moving Up the Value Curve

ANNUAL REPORT  
2025 – 2026

# Moving Up the Value Curve

Every thread has a choice to make. It can remain raw material, passed from hand to hand, valued only for its weight and its price. Or it can be spun, dyed, woven and finished into something that carries intention – a fabric with a purpose, a name.

For Swaraj Suiting Limited, growth has always been defined by the ability to build deeper capabilities. From its beginnings in textile manufacturing to becoming an integrated textile ecosystem player, the Company has consistently expanded its capabilities across the value chain.

FY 25-26 represents an important milestone in this journey. The Company has strengthened its manufacturing ecosystem through connected capabilities spanning cotton processing, spinning, weaving, denim processing and finishing.

Moving up the value curve is not only about increasing capacity. It is about creating greater control, improving quality, developing differentiated products and building stronger customer relationships.

Today, Swaraj Suiting Limited combines manufacturing expertise, technology adoption and process integration to create a scalable platform for sustainable growth.

# About Swaraj Suiting

Every established textile business carries a founder's imprint somewhere in its foundations. For Swaraj Suiting Limited, that imprint traces back to 1995, when Mr. Mohammed Sabir Khan first entered the textile industry, years before the Company itself came into being.

Swaraj Suiting Private Limited was incorporated in 2003, initially trading in Polyester Viscose fabric. Over the two decades since, the Company has moved steadily inward, choosing at each stage to own more of its own process rather than depend on others for it — a pattern that has come to define its identity as an integrated textile manufacturer.

Today, Swaraj Suiting Limited (SSL) is listed on the National Stock Exchange of India (NSE: SWARAJ) and BSE Limited (BSE: 544861), manufacturing high-quality Denim and Cotton finished fabrics, as well as Cotton Yarn. Its leadership remains close to its roots — a Promoter-led Board steering the Company its founder started building three decades ago, now supported by professional management across finance, compliance and operations.

This discipline is reflected in the Company's certifications across quality, environmental and sustainable-fibre management, including ISO 9001, ISO 14001, ISO 45001, GOTS, Global Recycled Standard, Organic 100 Content Standard, Better Cotton and OEKO-TEX Standard 100.

# The Journey

Swaraj Suiting Limited's evolution has followed a clear industrial logic. The Company began with weaving and job-work relationships, building market knowledge through established textile customers, before progressively investing in capabilities that allowed it to retain more processing, product development and manufacturing value within the business.

What has followed since has simply been its continuation, at greater scale — by the time the Company listed on the National Stock Exchange in 2022, this pattern of internalising the value chain was already well established.

## Timeline:

1995

Mr. Mohammed Sabir Khan enters the textile industry

# Message from Chairman & Managing Director

Dear Shareholders,

FY 2025-26 marked an important milestone in Swaraj Suiting Limited's journey of transformation. Over the years, the Company has progressed from a textile manufacturer focused on fabric production to an integrated textile ecosystem player with capabilities spanning multiple stages of the value chain.

The Company's growth strategy has been centred around building manufacturing depth, strengthening integration and creating capabilities that enable sustainable value creation. Today, Swaraj Suiting Limited operates across key textile processes including cotton processing, spinning, weaving, denim processing and finishing, allowing greater control over quality, efficiency and product development.

## Navigating the Industry Landscape

The year presented its share of both opportunity and headwind. Rising raw material prices and elevated delivery costs remained an ongoing pressure through the year, as they have across much of the textile manufacturing landscape, and the Company continued to navigate a global political and economic environment that has stayed far from settled.

At the same time, the broader direction of travel has been encouraging. Evolving trade agreements with the European Union and the United Kingdom, alongside India's sustained push towards its textile export ambitions, point to a more open, more rewarding market for manufacturers who can meet global standards on quality and compliance — precisely the ground the Company has spent years building.

Denim and cotton demand, both domestically and globally, have continued to grow steadily, reinforcing the relevance of the Company's core segments. It is this combination of discipline in the face of cost pressure, and preparedness for the opportunity ahead, that has shaped the Company's approach through the year.

## Building an Integrated Manufacturing Ecosystem

The development of an integrated manufacturing ecosystem has been a key strategic focus. With manufacturing facilities across Bhilwara, Rajasthan and Neemuch, Madhya Pradesh, the Company has progressively expanded its capabilities across spinning, yarn dyeing, weaving, denim processing and cotton processing.

This integrated approach enables better coordination between manufacturing stages, improves operational flexibility and strengthens the Company's ability to serve evolving customer requirements. The Company's own integration and technological investment — a highly subsidised, fully-equipped Neemuch facility supported by advanced machinery in every division — have been central to how it has absorbed these cost pressures while continuing to grow.

## Strong Operational and Financial Performance

During FY 2025-26, Swaraj Suiting Limited delivered strong operational and financial performance. Revenue from operations increased to ₹5,767.4 million, registering a growth of 38.5% compared to the previous year. EBITDA increased to ₹1,115.4 million, reflecting a growth of 52.7%, while Profit After Tax stood at ₹523.7 million, registering a growth of 58%.

EBITDA margin improved to 19.3% and net profit margin increased to 9.1%, supported by improved operational efficiencies, better product mix and strategic cotton procurement.

### Moving Up the Value Curve

The Company's focus on moving up the value curve is reflected in its continued investments towards backward integration and higher-value manufacturing capabilities. The addition of spinning and cotton processing capabilities has strengthened the Company's ecosystem, while future initiatives are aimed at expanding participation in specialised textile segments.

### Advancing into High-Performance Materials

A significant area of opportunity is the Company's planned expansion into advanced material manufacturing and high-performance yarn solutions. These specialised products are designed for performance-driven applications across sectors such as defence, infrastructure, oil & gas, industrial applications and agriculture. This strategic direction enables Swaraj Suiting Limited to participate in segments that offer higher value potential, reduced commoditisation and stronger long-term growth opportunities.

### Innovation and Product Development

The Company continues to strengthen its product development capabilities through innovation-led initiatives. The launch of Swaraj Denim represents the Company's move towards creating differentiated offerings, supported by in-house product development capabilities. The Company has developed over 2,500 denim fabric samples through its internal R&D efforts, reflecting its focus on innovation and customer-centric solutions.

### Sustainability at the Core

Sustainability remains an integral part of Swaraj Suiting Limited's manufacturing philosophy. The Company has implemented environmental infrastructure including a Zero Liquid Discharge (ZLD)-based Effluent Treatment Plant, supporting water recycling, conservation and responsible waste management practices.

### Looking Ahead

Looking ahead, Swaraj Suiting Limited remains focused on strengthening its integrated textile ecosystem, enhancing value-added offerings and creating sustainable growth opportunities. By combining manufacturing expertise, technology adoption and customer-focused innovation, the Company aims to continue its journey of moving higher on the value curve while delivering long-term value for all stakeholders.

I would like to express my sincere gratitude to our shareholders, customers, employees and business partners for their continued trust and support. It is this collective confidence that gives the Company the conviction to invest, expand and build for the future, and I look forward to their continued partnership as Swaraj Suiting Limited moves ahead on this journey.

**Best regards,**

**Mr. Mohammed Sabir Khan**

Chairman and Managing Director

# Manufacturing Footprint & Value Chain

## Integrated Manufacturing Depth

Swaraj Suiting Limited's manufacturing base spans two states, each carrying a distinct role in the Company's history. Bhilwara, Rajasthan remains the Company's founding ground — home to its original weaving operations with 123 Air-Jet Looms. Neemuch, Madhya Pradesh represents the newer, more ambitious chapter — a mega integrated facility built to bring almost the entire textile supply chain under one roof.

Together, these two locations allow the Company to operate across nearly every stage of textile manufacturing — Spinning, Warping, Yarn Dyeing, Weaving, Fabric Processing and Finishing — rather than depending on external processors for any single stage. This is the physical, operational expression of the Company's move up the value curve: each division added has meant one less handoff to an outside party, and one more point of control over quality, cost and timeline.

The Neemuch facility, in particular, has been built with an eye toward efficiency and environmental responsibility from the outset — supported by advanced air-jet weaving looms, precision dyeing and finishing systems, automated spinning units with in-house testing labs, and a Zero Liquid Discharge-based effluent treatment infrastructure.

## Manufacturing Footprint

**Manufacturing  
Location:**  
Bhilwara, Rajasthan

**Weaving Unit—**

**123 Air Jet  
Looms**

**Capacity:**

**~18 Mn metres  
per annum**

## Integrated Textile Facility:

Neemuch, Madhya Pradesh

**A connected manufacturing ecosystem comprising:**

### Cotton Spinning Division

Capacity: ~7,296 tonnes per annum

### Yarn Dyeing Division – 3 Indigo Dyeing Ranges

Capacity: ~36 Mn metres per annum

### Weaving Division- 72 Air Jet Looms

Capacity: ~9 Mn metres per annum

### Denim Process House

Capacity: ~25 Mn metres per annum

### Cotton Process House

Capacity: ~18 Mn metres per annum

# Moving Up the Value Curve

For most of its journey, Swaraj Suiting has grown by expanding its manufacturing capabilities across weaving, processing and fabric development. FY 2025-26 marked an important step forward, with the Company strengthening its integrated textile operations through the addition of spinning and cotton processing capabilities.

The commencement of the Cotton Spinning Division at Neemuch in March 2025 and the Cotton Processing Plant in July 2025 further strengthened the Company's manufacturing ecosystem.

| Facility: Neemuch, Madhya Pradesh |                       |                                               |
|-----------------------------------|-----------------------|-----------------------------------------------|
|                                   | Commercial Operations | Strategic Significance                        |
| Cotton Spinning Division          | March 2025            | Strengthening yarn manufacturing capabilities |
| Cotton Processing Plant           | July 2025             | Enabling finished cotton fabric development   |

These additions strengthened backward integration and created a stronger foundation for the next phase of growth.

## The Next Step in Capability Building

Building on this foundation, Swaraj Suiting has announced a strategic investment of approximately ₹4,210 million towards expansion of its spinning operations and entry into the advanced materials and technical textile segment.

## Cotton Spinning Division

The expanded Cotton Spinning Division will focus on manufacturing high-quality cotton yarn for captive consumption as well as sale in the open market. The expansion is expected to strengthen backward integration, improve quality control and enhance production planning efficiencies.

**Proposed Capacity:**  
**12,254 TPA**

**Spindles:**  
**52,512**

## Advanced Material Division

As part of its diversification strategy, Swaraj Suiting is entering the advanced materials and technical textile segment through a pilot project focused on manufacturing high-performance specialty yarns.

**Proposed Capacity:**  
**1,246 TPA**

**Spindles:**  
**4,368**

## Open-End Spinning Section — Enhancing Resource Utilisation

The Open-End Spinning Section will focus on manufacturing cotton yarn for captive consumption and open market sales. The section will utilise waste generated from the Ring Spinning Division as raw material, supporting efficient resource utilisation.

**Proposed Capacity:**  
**18,000 TPA**

**Rotors:**  
**5,000**

# The Swaraj Advantage

In the textile industry, long-term relationships are built on consistent quality, manufacturing reliability and the ability to respond to changing requirements.

Swaraj Suiting's integrated manufacturing capabilities across spinning, yarn dyeing, weaving, processing and finishing enable the Company to develop Denim Fabrics, Cotton Fabrics and Cotton Yarn while maintaining control across multiple stages of production.

This combination of manufacturing depth, technical expertise and product development capability has helped Swaraj build relationships across the textile ecosystem.

## 1 Manufacturing Depth

Swaraj Suiting's integrated capability supports greater process control and consistent fabric development at every stage:

**Spinning · Warping · Yarn Dyeing · Weaving · Fabric Processing · Finishing**

## 2 Product Development

Through its in-house R&D capabilities, the Company continues to develop denim fabric varieties across different designs and finishes.

**2,500+ Denim Fabric Samples Developed**

### 3 Technology

Technology adoption underpins Swaraj's manufacturing operations:

**Advanced Air-Jet  
Weaving Looms**

**Precision Dyeing &  
Finishing Systems**

**Automated  
Spinning Units**

**In-House  
Testing Labs**

### Quality 4

Quality is supported by process control, testing infrastructure, and a certification base:

**ISO 9001 · ISO 14001 · ISO 45001 · GOTS · Global Recycled Standard · Organic Content Standard  
· Better Cotton · OEKO-TEX Standard 100\***

### 5 Industry Relationships

Swaraj Suiting's manufacturing capabilities have earned the confidence of some of the world's most recognised apparel brands, including:

**Kenneth Cole®**  
NEW YORK

**BONOBOS**

**ARDENE**

**CACHE CACHE.**

**LPP**

**Splash**

**TATA  
Zudio**

**O'STIN**

# Key Performance Indicators

Swaraj Suiting Limited's financial performance over the past three years reflects the strengthening of its manufacturing platform and operational capabilities. Revenue growth has been accompanied by sustained margin improvement, supported by better product mix, operational efficiencies, strategic cotton procurement and disciplined execution.

# The Outlook

The global textile industry is undergoing a transformation driven by changing trade dynamics, evolving consumer preferences and increasing demand for differentiated textile products.

India's established textile ecosystem is well placed to meet this moment. Supported by a strong raw material base, diverse fibre availability, deep manufacturing capabilities and a skilled workforce built up over decades, the country has quietly become one of the few textile hubs able to offer both scale and sophistication at once. This foundation is what allows India to keep growing its share of both domestic consumption and global exports, even as the rules of global trade continue to shift underneath it.

For an integrated manufacturer like Swaraj Suiting Limited, this environment is less a distant macro trend than a direct extension of the ground it has already built – a Company positioned to convert industry-wide tailwinds into company-specific growth, precisely because it owns more of its own value chain than most of its peers do.

## India's Textile Position

| Metric                                | Value                                                     |
|---------------------------------------|-----------------------------------------------------------|
| Contribution to India's GDP           | ~2.3%                                                     |
| Contribution to Industrial Production | ~13%                                                      |
| Contribution to Exports               | ~12%                                                      |
| Global Ranking – Production           | 2 <sup>nd</sup> largest producer of textiles and garments |
| Global Ranking – Exports              | 3 <sup>rd</sup> largest exporter of textiles and apparel  |
| Indian Denim Market                   | Estimated CAGR of 8.1% (2025–2032)                        |
| Global Denim Marke                    | Estimated CAGR of 7.5% (2025–2030)                        |

Evolving trade agreements and global supply chain diversification are opening new export routes for capable Indian manufacturers – while India's denim segment, in particular, is growing faster than the broader industry around it.

| Tailwind                            | What it Offers                                                                                |
|-------------------------------------|-----------------------------------------------------------------------------------------------|
| India – EU FTA                      | Access to one of the world's largest premium textile markets; improved export competitiveness |
| India – UK FTA                      | Greater access to high-value textile markets                                                  |
| Global Supply Chain Diversification | Favours integrated manufacturers over single-stage processors                                 |

## Swaraj's Strategic Response

Against this backdrop, Swaraj Suiting Limited is positioned to respond from strength rather than catch up from behind – an integrated manufacturer already built for a market that increasingly rewards exactly that.

### Expanding Integrated Manufacturing

The Company continues to enhance capabilities across Spinning, Warping, Yarn Dyeing, Weaving, Fabric Processing and Finishing – the very integration that global supply chain diversification now favours.

### Moving Towards Value-Added Textiles

The proposed expansion of spinning operations is aimed at strengthening backward integration, expanding conventional yarn capabilities, entering specialised yarn categories, and improving operational efficiencies.

### Exploring Technical Textile Opportunities

Through the Advanced Material Division pilot, Swaraj is exploring high-performance specialty yarn applications across sectors: Defence · Infrastructure · Oil & Gas · Industrial Applications · Agriculture

# Responsible Growth

At Swaraj Suiting Limited, responsible growth is reflected in the way the Company manufactures, manages resources, maintains quality and engages with its stakeholders and communities. As the Company continues to strengthen its textile manufacturing capabilities, it remains focused on efficient resource utilisation, recognised quality standards and sound governance practices.

During FY 2025-26, its social initiatives also focused on supporting education and community development through digital education resources, educational support materials and contributions towards educational infrastructure. Together, these efforts reflect the Company's approach to building a responsible business that balances operational progress with environmental stewardship, social contribution and institutional accountability.

## Environmental Responsibility

| Aspect                                                                                                     | Details                                                                                                              |
|------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------|
|  Water Management       | Effluent Treatment Plant operating on Zero Liquid Discharge (ZLD) basis, with focus on recycling and reuse of water. |
|  Water Treatment System | Sourced from Rochem.                                                                                                 |
|  Water Policy           | "No Wastage Policy" with emphasis on minimising water usage.                                                         |
|  Water Handling         | Waste converted into salt and safely disposed.                                                                       |
|  Government Recognition | Subsidy of ₹10 million received.                                                                                     |

## Quality & Manufacturing Standards

- ISO 9001 – Quality Management System
- ISO 14001 – Environmental Management System
- ISO 45001 – Occupational Health & Safety Management System
- Global Organic Textile Standard
- Global Recycled Standard
- Organic Content Standard
- Better Cotton
- OEKO-TEX Standard 100

## Social Responsibility

Supporting Education and Community Development

### Promoting Digital Education

Swaraj Suiting Limited provided 3 computer sets and 1 multifunction printer to support computer literacy and access to digital education facilities.

Government Senior Secondary School, Lambiya Kalan, Banera, District Bhilwara

Ongoing Construction of an Educational Building

### Strengthening Educational Infrastructure

Swaraj Suiting Limited contributed ₹44.00 lakh towards the development of a modern educational building comprising student accommodation, a library, reading rooms, classrooms and related facilities.

## Supporting Students

Through Consumer Unity & Trust Society (CUTS), the Company distributed lunch boxes, water bottles and school bags to 350 students, supporting their educational needs and continued participation in school education.

Government Senior Secondary School, Lambiya Kalan — 305 students

Primary Schools and Anganwadi Centre, Village Keero Ka Khera — 45 students

## Governance

The Company's governance framework is anchored in a comprehensive set of Board-approved policies:

- CSR Policy
- Nomination and Remuneration Policy
- Policy for Determining Material Subsidiary
- Materiality Policy
- Familiarisation Programme for Independent Directors
- Code of Practices and Fair Disclosure of UPSI
- Policy on Related Party Transactions
- Terms & Conditions for Appointment of Independent Directors
- Code of Conduct for Directors & Senior Management Personnel
- Policy for Inquiry in Case of Leak of UPSI
- Whistle Blower Policy – Vigil Mechanism
- Archival Policy
- Policy on Insider Trading

# Governance Board

## Promoter & Executive Directors

**Mr. Mohammed Sabir Khan**  
Chairman and Managing Director

Mr. Mohammed Sabir Khan, aged 52 years, is the Chairman and Managing Director of the Company. A graduate with over 26 years of extensive experience in the textile industry, he conceived Swaraj Suiting Limited and has been the driving force behind its expansion ever since. His deep industry knowledge, strong management skills and a robust market network have played a pivotal role in steering the Company towards sustained growth. He actively assists the Board in formulating business strategies, developing policies, planning technological upgradation and introducing new products. Beyond the Company, he serves as Vice-President of the Bhilwara Textile Trade Federation and the Synthetic Weaving Mills Association.

Mr. Nasir Khan, aged 28 years, has been actively involved in the growth and management of the Company since joining the family business in 2016. He was appointed as a Director in January 2019, and subsequently elevated to Whole Time Director in January 2021. He oversees day-to-day operations with a particular focus on financial management and marketing strategies, and serves as a member of the Stakeholders Relationship Committee of the Board. Mr. Khan conceptualised and drove the Company's IPO, and has been instrumental in planning and executing its expansion strategies, particularly in the Processing and Spinning divisions.

**Mr. Nasir Khan**  
Whole Time Director

**Mrs. Samar Khan**  
Whole Time Director

Mrs. Samar Khan, aged 47 years, is a Whole Time Director of the Company and has been closely associated with it since inception, co-promoting the Company alongside her husband, Mr. Mohammed Sabir Khan. She was appointed as Whole Time Director in January 2021. With over 23 years of experience in the textile industry, she brings valuable expertise and practical insight to the Company's operations, and is primarily responsible for overseeing office administration and the internal affairs of the business.

## Independent Directors

Ms. Annie Zuberi Khan, aged 40 years, serves as an Independent Non-Executive Director of the Company, and is a member of the Audit Committee, Nomination and Remuneration Committee, and the Stakeholders Relationship Committee of the Board. She holds a Master's degree in Arts from the University of Rajasthan and has over six years of experience as an active Director of M/s Zuberi Engineering Construction Private Limited. She is well-versed in monitoring operational activities and assessing financial risks, supporting the Company in maintaining operational efficiency and sound financial management.

**Ms. Annie Zuberi Khan**  
Independent Director

**Ms. Amreen Sheikh**  
Independent Director

- Profit Before Tax increased by 51.06 % to ₹6,711.78 lakh

- Net Profit increased by 57.98 % to ₹5,236.57 lakh

### OPERATIONS

Your Directors are pleased to report that, your company have recorded highest standalone revenue of ₹57,673.93 lakh from operations in current year as compared to ₹41,656.84 lakh in the previous year, with a significant growth of 38.45 %, the consolidated revenue as same as standalone revenue.

The Company has recorded highest export revenue of ₹4118.81 Lakh in the current fiscal year, up from ₹2254 Lakh in the previous year, marking a notable increase. The export volume has risen to 20.81 Lakh mtr., compared to 11.93 Lakh mtr. in the previous year. Exports constitute 7.14% of the total revenue of the Company.

Your Directors are pleased to report that as a result of higher revenue from the operations, optimum capacity utilization and thrust on value addition products the Company has registered significant growth as under:

The operating profit (PBITDA) of the Company has increased to ₹12004.38 lakh in the current year under review as compared to ₹7,484.58 lakh in the previous year, a significant growth of about 60.39%.

The Cash profit (PBDT) of the Company for the current year has increased to ₹8963.10 lakh as against ₹5578.80 lakh, an impressive spike of about 60.66 % over the previous year.

The Profit after Tax (PAT) of the Company has increased to ₹5,236.57 lakh for the current year as against ₹3314.60 lakh in the previous year and registered a significant upsurge of about 57.98%.

#### **DIVIDEND**

To strengthen the financial position and funding to the ongoing projects of the Company, no dividend is recommended by the Board for the financial year 2025-26.

#### **TRANSFER TO RESERVES**

The Board of Directors has decided to retain the entire profits for financial year 2025-26 under Retained Earnings.

Accordingly, the Company has not transferred any amount to the 'Reserves' for the year ended March 31, 2026.

#### **UPDATE ON EXPANSION PLANS**

During the year under review, the Company undertake a major expansion project for setting up an additional Spinning Division at its Neemuch Unit-II, located at Village Soniyana, Tehsil Jiran, District Neemuch, Madhya Pradesh. It may be noted that the Company had successfully commissioned its first Spinning Project at Neemuch Unit-II in March 2025 with 22,656 spindles and an installed capacity of 7,344 tonnes of yarn per annum. The new expansion project envisages the establishment of a spinning facility with an aggregate installed capacity of 25,500 tonnes of yarn per annum, comprising a Ring Spinning Section with a capacity of 16,500 tonnes per annum through installation of

56,880 ring spindles and an Open End Spinning (Rotor) Section with a capacity of 9,000 tonnes per annum through installation of 3,000 rotors. The estimated project cost is ₹421.36 Crore, for which the Company has tied up term loan facilities aggregating to ₹288.00 Crore from its consortium lenders. The balance funding requirement is met and proposed to be met through proceeds from the preferential issue of securities, internal accruals and promoter contribution. The project is expected to further strengthen the Company's backward integration, enhance operational efficiencies and support its long-term growth strategy.

#### **CAPITAL STRUCTURE**

The Capital structure of the Company as on 31.03.2026 as follows:

The Authorized Share Capital of the Company is ₹42,02,00,000/- (Rupees Forty-Two Crore Two Lakh only) consisting of 4,20,20,000 (Four Crore Twenty Lakh Twenty Thousand) Equity Shares of ₹10/- (Rupees Ten) each.

During the year under review, the Company, pursuant to the in-principle approval granted by the National Stock Exchange of India Limited ("NSE") vide letter no. NSE/LIST/52240 dated January 23, 2026, approved the issuance of up to 43,53,500 Equity Shares of face value ₹10/- each at an issue price of ₹236/- per Equity Share (including a premium of ₹226/- per Equity Share) on a preferential basis. Out of the aforesaid approved issuance, 33,71,400 Equity Shares were allotted on February 06, 2026 due to under-subscription. The Company subsequently received trading approval from NSE for the said Equity Shares on April 09, 2026.

Further, pursuant to the in-principle approval granted by NSE vide letter no. NSE/LIST/52250 dated January 23, 2026, the Company approved the issuance of up to 67,27,000 Convertible Warrants of face value ₹10/- each at an issue price of ₹236/- per Warrant (including a premium of ₹226/- per Warrant), each carrying an entitlement to apply for and be allotted one Equity Share of the Company upon conversion. Out of the aforesaid approved issuance, 62,25,500 Warrants were allotted on February 07, 2026 due to under-subscription.

During the year, 9,20,500 Warrants were converted into an equivalent number of Equity Shares. Consequently, as on March 31, 2026, 53,05,000 Warrants remained outstanding and were eligible for conversion into an equivalent number of Equity Shares within the prescribed period in accordance with the applicable provisions of the Securities and

Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 ("SEBI ICDR Regulations") and the terms of issue.

Pursuant to the aforesaid preferential issue of Equity Shares, the Issued, Subscribed, and Paid-up Equity Share Capital of the Company as on 31st March 2026 stands at ₹26,31,01,600/- (Rupees Twenty-Six Crore Thirty-One Lakh One Thousand Six Hundred only), divided into 2,63,10,160 (Two Crore Sixty-Three Lakh Ten Thousand One Hundred Sixty) Equity Shares of face value ₹10/- each.

#### **SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS OR TRIBUNALS IMPACTING THE GOING CONCERN STATUS AND COMPANY'S OPERATIONS IN FUTURE**

During the year under review there has been no such significant and material orders passed by the regulators or courts or tribunals impacting the going concern status and company's operations in future.

#### **DISCLOSURE FOR FRAUD AGAINST THE COMPANY**

In terms of provision of section 134(3)(ca) of the Companies Act, 2013, There were no instances of fraud which are reported by Auditors of the Company under section 143(12) of the Companies Act, 2013 to the Audit Committee.

#### **CODE OF CONDUCT**

Regulation 17(5) of the SEBI (LODR) Regulations, 2015 requires listed companies to lay down a Code of Conduct for its directors and senior management, incorporating duties of directors as laid down in the Companies Act, 2013. The Company has adopted a Code of Conduct for all Directors and Senior Management of the Company and same is hosted on the website of the company at following link:

<https://www.swarajsuiting.com/uploads/reports/Code%20of%20Conduct%20for%20Directors%20&%20Senior%20Management%20Personnel.pdf>

#### **CORPORATE GOVERNANCE**

The Company is committed to maintain the high standards of Corporate Governance and adhere to the requirements set out in the Act and Listing Regulations. Pursuant to regulation 34(3) of the Listing Regulations, the Reports on Corporate Governance and Management Discussions & Analysis have been incorporated in the Annual Report and form an integral part of the Board's Report. A Certificate from Auditors confirming compliance to conditions of Corporate Governance as stipulated under Listing Regulations forms part of this Annual Report.

#### **UPDATE ON UTILISATION OF PREFERENTIAL ISSUE PROCEEDS**

During the financial year under review, the Company raised ₹79.56 crore through preferential allotment of 33,71,400 Equity Shares at an issue price of ₹236 per Equity Share and allotted 62,25,500 Convertible Warrants at an issue price of ₹236 per Warrant, aggregating to ₹146.92 crore. As on March 31, 2026, the Company had received ₹53.02 crore

against the Warrants, comprising ₹36.73 crore received at the time of allotment and ₹16.29 crore received upon conversion of Warrants into Equity Shares. The balance amount of ₹93.90 crore is receivable upon exercise of the outstanding Warrants within the prescribed period of 18 months from the date of allotment.

Out of the proceeds raised through the preferential allotment of Equity Shares, ₹69.32 crore was utilised towards Working Capital and General Corporate Purposes, while ₹10.24 crore remained unutilised and earmarked for Capital Expenditure. Further, out of the proceeds received against the preferential allotment and conversion of Warrants, ₹49.92 crore was utilised towards Working Capital and General Corporate Purposes, while ₹101.80 crore remained allocated for Capital Expenditure and is proposed to be utilised in accordance with the objects of the issue.

During the period under review, The Company has utilised an amount of ₹4.80 Crore out of the proceeds of the preferential issue of Warrants, towards the object of Working Capital in excess of the amount originally allocated towards the said object. Consequently, the proceeds available for Capital Expenditure stood reduced by ₹4.80 Crore for subsequent utilization, representing a variation from the revised cost of objects pursuant to under subscription, however the monitoring agency CRISIL Rating Limited has reported the aforesaid utilisation as a deviation in its report. The aforesaid variation is only in the allocation and utilisation of the proceeds between the existing objects of the Preferential Issue, i.e., from Capital Expenditure to Working Capital. There is no change in the nature or scope of the objects for which the funds were raised, and the funds continue to be utilised towards the objects originally approved by the members. Further, as a consequence of the aforesaid variation, the balance requirement towards Capital Expenditure shall be met by the Company from its internal accruals, internal resources and/or such other available sources, as may be determined by the Board of Directors from time to time.

#### **INDUSTRIAL RELATIONS**

During the year under review your Company enjoyed cordial relationship with workers and employees at all levels.

#### **CHANGE IN THE NATURE OF BUSINESS**

During the year under review there is no change in the nature of the business and commercial activities of the company.

**INVESTORS EDUCATION AND PROTECTION FUND**

During the financial year 2025-26 ended on 31st March 2026 under review, there were no amount/s which is required to be transferred to the Investor Education and Protection Fund by the Company. As such, no specific details are required to be given or provided.

**DETAILS OF APPLICATION MADE OR ANY PROCESSING PENDING UNDER THE IBC 2016**

During the year under review no application was made, further no any proceeding pending under the Insolvency and Bankruptcy Code, 2016 against the Company.

**DIFFERENCE IN VALUATION**

During the year under review there was no case of one time settlement with financial institution so the details of difference between amount of the valuation done at the time of one time settlement and the valuation done while taking loan from the Banks or Financial Institutions are not applicable to the company.

For and on behalf of the Board of Directors

**Mohammed Sabir Khan**

Chairman and Managing Director

Bhilwara, September 06, 2026

## ANNEXURE – 2

Form No.: MR-3

### SECRETARIAL AUDIT REPORT

For the Financial Year ended 31<sup>st</sup> March, 2026

[Pursuant to Section 204 (1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,  
The Members,

**Swaraj Suiting Limited**

F-483 TO F-487, RIICO Growth Centre  
Hamirgarh, Bhilwara (Raj.)- 311025.

We have conducted the secretarial audit of the compliances of applicable statutory provisions and the adherence to good corporate practices by **Swaraj Suiting Limited** (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of **Swaraj Suiting Limited's**, books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, the explanations and clarifications given to us and the representations made by the Management, Whereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2026 ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31<sup>st</sup> March, 2026 according to the provisions of:

- (i) (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External commercial Borrowings; (not applicable to the company during the reporting period under audit)
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
  - (a) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015
  - (b) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
  - (c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
  - (d) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations 2011
- (vi) Provisions of the following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') were not applicable to the Company under the financial year under report: -
  - (a) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999, The Securities and Exchange Board of India (Share Based Employees Benefits) Regulation, 2014 and The Securities and Exchange Board of India (Share Based Employee Benefit and Sweat Equity) Regulation 2021; (**Not applicable to the Company during the reporting period under audit**)

- (b) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; **(Not applicable to the Company during the reporting period under audit)**
- (c) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; **(Not applicable to the Company during the reporting period under audit) &**
- (d) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021; **(Not applicable to the Company during the reporting period under audit)**
- (vii) As confirmed and certified by the management, there is no sectoral law specifically applicable to the Company based on their Sector/ Business.

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards on Board and General Meetings (SS-1 & SS-2) issued by The Institute of Company Secretaries of India.
- (ii) The SEBI (LODR) Regulations, 2015 as applicable on Small Company listed with the SME platform and listing agreement entered into by the company with National stock exchange limited.

During the period under review the Company has complied with the provisions of the Acts, Rules,

Regulations, Guidelines, Standards, etc. as mentioned above.

**We further report that**, during the year under review:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors as per the Companies Act, 2013 ("the Act"). The changes, if any, in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notices were given to all directors and committee members to schedule the Board Meetings and Committee meetings, agenda were sent at least seven days in advance, a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Based on the records and process explained to us for compliances under the provisions of other specific acts applicable to the Company, we further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

**We further report that** during the audit period there were no specific events/actions having major bearing on company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards etc.

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

### ECONOMIC OVERVIEW

#### Global Economy

The global economy entered 2026 amid elevated geopolitical and trade uncertainty, uneven growth across regions and renewed pressure from energy and commodity markets. According to the International Monetary Fund's July 2026 World Economic Outlook Update, global growth is projected at 3.0% in 2026 and 3.4% in 2027, compared with an average of 3.5% during 2024–25. Growth in advanced economies is projected at 1.7% in 2026, while global headline inflation is expected to rise to 4.7% in 2026 before easing in 2027.

For manufacturing and export-oriented businesses, the operating environment remains sensitive to energy costs, freight, currency movements and changes in trade policy. These conditions increase the importance of cost efficiency, supply-chain resilience and market diversification.

*Source: International Monetary Fund, World Economic Outlook Update, July 2026.*

#### Indian Economy

India remained one of the faster-growing major economies during FY 2025–26. According to the Ministry of Statistics and Programme Implementation's Provisional Estimates, real GDP grew by 7.7% in FY 2025–26 compared with 7.1% in FY 2024–25, while real GDP growth in Q4 FY26 stood at 7.8%.

Growth was supported by domestic demand, investment activity and expansion across the industrial and services sectors. India's large consumer market, infrastructure investment and established manufacturing base provide a supportive medium-term environment for industrial businesses, including textiles.

*Source: MoSPI Provisional Estimates of Annual GDP for FY 2025–26, released 5 June 2026.*

### INDUSTRY OVERVIEW

#### Global Textile and Apparel Industry

The global textile and apparel industry continues to evolve amid changing sourcing patterns, geopolitical uncertainty, consumer preference shifts and increasing emphasis on sustainability,

traceability and technology. Manufacturers are responding through automation, process optimisation, product innovation and greater supply-chain integration.

There is continued expansion in the global apparel and textile market, as important themes surrounding quality, sustainability, innovation and supply-chain diversification continue to influence customer expectations. These trends favour manufacturers that combine manufacturing depth with consistent quality and the ability to develop differentiated products.

*Source: Swaraj Suiting Limited, Q4 & FY26 Investor Presentation, May 2026; underlying industry sources cited therein include IBEF, PIB and third-party market research.*

#### Indian Textile Industry

India's textile and apparel industry remains an important part of the national economy, supported by a diversified raw-material base, skilled manpower and capabilities across fibre, yarn, fabrics, processing and apparel. Government publications cite the sector as contributing around 2.3% to GDP, 13% to industrial production and nearly 12% to India's export earnings.

The industry demonstrated resilience in FY 2025–26. India's exports of textiles and apparel, including handicrafts, stood at approximately ₹3,25,339 crore, registering growth of 1.8% over FY 2024–25. Cotton textiles accounted for approximately ₹1,02,427 crore of exports during the year. Government initiatives including PM MITRA, the PLI Scheme for Textiles and the National Technical Textiles Mission continue to support investment, value addition and competitiveness across the sector.

*Source: Ministry of Textiles / Press Information Bureau releases dated 21 July 2026 and 28 July 2026; Government of India textile sector overview.*

#### Denim, Cotton and Yarn

The denim industry continues to evolve with changing fashion preferences, demand for differentiated finishes, increasing product variety and greater emphasis on responsible manufacturing practices. In yarn, integration into spinning can provide manufacturers with greater

control over quality, procurement, production planning and product development. Sustainability trends, preference for natural fibres and technological advancements in cotton processing also continue to shape the industry. Indian denim market is estimated to grow at a CAGR of about 8.1% during 2025-2032, compared with an estimated 7.5% CAGR for the global denim market during 2025-2030.

Demand drivers include rising disposable incomes, urbanisation, expansion of organised retail and e-

commerce, brand collaborations and a growing focus on sustainable production practices. In cotton and yarn, India benefits from an established raw-material ecosystem and broad manufacturing capabilities, although profitability remains sensitive to cotton availability and prices, energy and freight costs, downstream demand and export-market conditions.

## COMPANY OVERVIEW

Swaraj Suiting Limited ("Swaraj", "SSL" or "the Company") was incorporated in 2003 and has evolved into an integrated textile manufacturing company engaged in Denim and Cotton finished fabrics and Cotton Yarn. The Company operates across multiple stages of the textile value chain, including spinning, warping, yarn dyeing, weaving, fabric processing and finishing, with manufacturing operations in Bhilwara, Rajasthan and Neemuch, Madhya Pradesh.

The Company's strategy has progressively focused on increasing manufacturing depth, strengthening backward integration and improving control over quality, product development and production

planning. The Cotton Spinning Division commenced commercial operations in March 2025 and the Cotton Processing Plant commenced operations in July 2025, further strengthening the integrated manufacturing platform.

### Manufacturing Footprint

| Division             | Installed Capacity |
|----------------------|--------------------|
| Cotton Spinning      | ~7,296 TPA         |
| Yarn Dyeing          | ~36 Mn metres p.a. |
| Bhilwara Weaving     | ~18 Mn metres p.a. |
| Neemuch Weaving      | ~9 Mn metres p.a.  |
| Denim Process House  | ~25 Mn metres p.a. |
| Cotton Process House | ~18 Mn metres p.a. |

## STRATEGIC PRIORITIES

### 01 | Deepening Integration

Strengthen control across the textile value chain through spinning, processing and backward integration, with a focus on quality consistency, production planning and operating efficiency.

### 02 | Converting Capacity into Growth

Progressively ramp up recently commissioned capacities and improve utilisation across the manufacturing platform.

### 03 | Moving Up the Value Curve

Increase participation in differentiated fabrics, value-added yarn and specialised textile applications through product development and process capability.

### 04 | Building the Next Growth Platform

Advance the proposed spinning expansion and the Advanced Material pilot project to broaden the product mix across conventional and high-performance yarn categories.

## OPERATIONAL AND FINANCIAL PERFORMANCE

### Operational Review

FY 2025-26 marked an important phase in the Company's transition towards a more integrated textile manufacturing model. The ramp-up of spinning and cotton-processing capabilities increased the Company's participation across the value chain and supported a broader product mix.

The Company reported that FY26 performance was supported by improved operational efficiencies, better product mix and strategic cotton procurement. The manufacturing platform continues to be supported by advanced weaving, spinning, dyeing, finishing and testing infrastructure.

### Financial Performance

The Company delivered strong growth in revenue and profitability during FY 2025-26. Revenue from operations increased by 38.5% to ₹576.74 crore from ₹416.57 crore. EBITDA increased by 52.7% to ₹111.54 crore, with EBITDA margin improving by 180 basis points to 19.3%. Profit after tax increased by 58.0% to ₹52.37 crore and net profit margin improved to 9.1%.

| Particulars             | FY 2025-26 | FY 2024-25 | Change   |
|-------------------------|------------|------------|----------|
| Revenue from Operations | ₹576.74 cr | ₹416.57 cr | 38.5%    |
| EBITDA                  | ₹111.54 cr | ₹73.05 cr  | 52.7%    |
| EBITDA Margin           | 19.3%      | 17.5%      | +180 bps |
| Profit Before Tax       | ₹67.12 cr  | ₹44.43 cr  | 51.1%    |
| Profit After Tax        | ₹52.37 cr  | ₹33.15 cr  | 58.0%    |
| Net Profit Margin       | 9.1%       | 8.0%       | +112 bps |
| Reported EPS            | ₹23.41     | ₹15.13     | 54.7%    |
| Gross Debt              | ₹301.55 cr | ₹267.84 cr | —        |

Employee benefit expenses increased to ₹31.67 crore from ₹16.27 crore, finance cost increased to ₹30.41 crore from ₹19.06 crore and depreciation and amortisation increased to ₹22.51 crore from ₹11.36 crore, reflecting the larger operating and asset base.

### Working Capital and Cash Flow

The increase in operating scale was accompanied by higher working-capital deployment. Inventories

increased to approximately ₹235.77 crore from ₹139.51 crore, primarily due to strategic raw-material procurement and new facility ramp-up. Trade receivables increased to approximately ₹123.95 crore from ₹100.86 crore, driven by sales growth, business expansion and strategic credit policy.

CRISIL has characterised the Company's operations as working-capital intensive and has linked elevated inventory requirements partly to the ramp-up of the spinning and cotton-fabric divisions.

**Key Financial Ratios**

| Ratio                            | FY26 | FY25 | Change   |
|----------------------------------|------|------|----------|
| Current Ratio                    | 1.48 | 1.21 | 22.54%   |
| Debt-Equity Ratio                | 0.89 | 1.76 | (49.17%) |
| Debt Service Coverage Ratio      | 3.60 | 2.95 | 21.69%   |
| Return on Equity Ratio           | 0.21 | 0.26 | (16.68%) |
| Inventory Turnover Ratio         | 3.07 | 3.62 | (15.20%) |
| Trade Receivables Turnover Ratio | 5.13 | 4.99 | 2.91%    |
| Trade Payables Turnover Ratio    | 3.16 | 3.31 | (4.66%)  |
| Net Capital Turnover Ratio       | 6.17 | 9.80 | (36.96%) |
| Net Profit Ratio                 | 0.09 | 0.08 | 14.27%   |
| Return on Capital Employed       | 0.18 | 0.18 | 1.69%    |

The audited financial statements attribute the reduction in the Debt-Equity Ratio to lower dependence on external funds and repayment of loans during the year. The reduction in Net Capital Turnover Ratio is attributed to lower sales in comparison with the level of working capital employed during the year.

**Credit Rating**

During FY 2025-26, CRISIL Ratings upgraded the rating on the Company's ₹340 crore bank loan facilities to CRISIL BBB+/Stable from CRISIL BBB/Stable. The rating rationale recognised the improvement in operating performance and expected strengthening of the financial risk profile, while also highlighting working-capital intensity, cotton-price volatility and execution risk relating to upcoming capital expenditure.

**CONTROLS, RISK, PEOPLE AND OUTLOOK****Risk Management**

| Principal Risk         | Risk Context                                                                                                         | Mitigation Approach                                                                                                                  |
|------------------------|----------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Raw Material           | Cotton availability and prices can vary with crop conditions, demand-supply dynamics and commodity-market movements. | Procurement planning, supplier relationships, inventory management and greater backward integration support procurement flexibility. |
| Working Capital        | Higher inventory and receivable requirements can increase funding needs and affect cash conversion.                  | Inventory, receivable and credit monitoring, together with liquidity planning, support working-capital discipline.                   |
| Operational & Capacity | Newly commissioned capacities require stabilisation and progressive utilisation to achieve intended efficiencies.    | Process controls, preventive maintenance, technology-enabled monitoring and experienced operating teams support reliability.         |
| Project Execution      | Large expansion projects involve implementation, funding, commissioning and ramp-up risks.                           | Phased execution, project monitoring, funding discipline and management oversight support implementation.                            |

**Internal Control Systems and Adequacy**

The Company has established internal control systems commensurate with the nature and scale of its operations. These systems are designed to safeguard assets, maintain reliable financial and operational records, support regulatory compliance and promote operating efficiency. The control framework is periodically reviewed under the oversight of senior management, the Audit Committee, internal auditors and statutory auditors.

The statutory auditors have reported that the Company had, in all material respects, adequate internal financial controls with reference to financial statements and that such controls were operating effectively as at March 31, 2026. The Company also has an internal audit system commensurate with the size and nature of its business. SAP ERP is used for maintaining the books of account, supported by an audit-trail/edit-log mechanism.

|                            |                                                                                                           |                                                                                                                         |
|----------------------------|-----------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Market & Pricing           | Competitive intensity and changes in textile realisations can affect revenue and margins.                 | Product diversification, value addition, integrated manufacturing and customer relationships reduce concentration risk. |
| Export & Geopolitical      | Currency, freight, trade policy and geopolitical developments may affect export demand and realisations.  | Market diversification, active monitoring and flexible commercial planning support risk management.                     |
| Financial & Liquidity      | Interest rates, credit exposure and funding requirements can influence financial performance.             | Liquidity forecasting, credit monitoring and capital-management practices support financial discipline.                 |
| Regulatory & Environmental | Manufacturing operations are subject to environmental, safety, quality and other regulatory requirements. | Compliance processes, certifications, internal reviews and environmental infrastructure support adherence.              |

## HUMAN RESOURCES AND INDUSTRIAL RELATIONS

The Company recognises that expansion of its manufacturing platform must be supported by capable people, technical skills and operating discipline. As operations have expanded across spinning, weaving, processing and supporting functions, the Company has continued to strengthen capabilities across manufacturing, finance, marketing, compliance and administration.

Employee benefit expenses increased to approximately ₹31.67 crore during FY26 from ₹16.27 crore in FY25, reflecting the increase in operating scale.

## OUTLOOK

The textile industry enters FY 2026-27 with a combination of structural opportunity and near-term uncertainty. India's manufacturing depth, domestic consumption, export-market diversification and increasing demand for differentiated and value-added textile products provide a supportive medium-term backdrop. At the same time, cotton and energy prices, freight costs, global demand and geopolitical developments will remain important monitorables.

Swaraj enters this phase with a broader integrated manufacturing platform spanning spinning, yarn dyeing, weaving, fabric processing and finishing.

The Company's priorities are to improve utilisation of recently commissioned capacities, strengthen operating efficiencies, deepen backward integration and increase participation in higher-value product categories.

The proposed spinning expansion, including the Advanced Material pilot project, represents the next step in this strategy and is intended to broaden the product mix across conventional and specialised yarn categories. Growth will continue to be pursued with emphasis on project execution, working-capital discipline and prudent capital allocation.

## CAUTIONARY STATEMENT

Statements in this Management Discussion and Analysis describing the Company's objectives, expectations, estimates, outlook, plans or projections may constitute forward-looking statements within the meaning of applicable laws and regulations. Actual results may differ materially from those expressed or implied due to economic conditions, commodity and raw-material prices, market demand, competition, exchange-rate movements, geopolitical developments, regulatory changes, climatic conditions, supply-chain disruptions and other factors beyond the Company's control. The Company assumes no obligation to publicly revise any forward-looking statement except as required under applicable law.

## CORPORATE GOVERNANCE REPORT

### COMPANY'S PHILOSOPHY ON CODE OF CORPORATE GOVERNANCE

The Company's philosophy on Corporate Governance envisages attainment of high level of transparency, accountability and integrity in all its facets.

The Company has consistently practiced good Corporate Governance norms for the efficient conduct of its business and its obligations towards all its stakeholders viz., the shareholders, customers, employees and the community in which the Company operates. The Company is committed to observe good governance by focusing on adequate & timely disclosures, transparent & robust accounting policies, strong & independent Board and endeavors to maximize shareholders benefit. The Company believes that it shall go beyond adherence of regulatory frameworks in disclosing material information to the stakeholders. We believe that Corporate Governance is a journey to constantly improving sustainable value creation. The Board of Directors of the Company plays a central role in the good Corporate Governance by building up strong principles and values on which the Company operates.

The Composition and category of the Board of Directors, attendance at Board & previous Annual General Meeting, number of other Directorship, Committee Membership and Chairmanship are as under:

### BOARD OF DIRECTORS

#### Composition, Category and attendance at Meetings

The Board of Directors of the Company consists of eminent persons with considerable professional expertise and experience in business and industry, finance, management, legal and marketing fields. The Company has a balanced mix of Executive and Non-Executive Directors. The Board comprises of six Directors including one Woman Director and composition of Board of Directors of the Company is in conformity with Regulation 17 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (herein-after referred as "Listing Regulations") and applicable provisions of the Companies Act, 2013 (herein-after referred as "the Act"). The Company has three Promoter Executive Directors and three Non-Executive Independent Directors. The Company has 50% Non-Executive Directors and it has appointed regular Executive Chairperson. The Independent Directors with their diverse knowledge, experience and expertise bring in their independent judgment in the deliberation and decisions of the Board.

| Name of Directors                      | Category of Directorship           | Board Meetings attended out of 16 Meeting | Attendance at last AGM held on 30.09.2025 | No. of Directorships in Other Listed Companies | No. of other Committees in which Chairperson or Member |     |

\* Mrs. Anam Hamid was appointed as a Non-Executive Independent Director of the Company with effect from December 26, 2025, to fill the vacancy caused by the demise of Mr. Ramesh Agarwal, Independent Director, on October 01, 2025.

Mr. Mohammed Sabir Khan, Chairman Cum Managing Director of the Company, Mrs. Samar Khan Whole-time Director of the Company, and Mr. Nasir Khan Whole-time Director of the Company are related to each other. Mr. Mohammed Sabir Khan and Mrs. Samar Khan are spouses, and Mr. Nasir Khan is their son. None of the other Directors on the Board are related to any other Director.

All the Independent Directors have given declaration that they meet the criteria of independence as mentioned under Section 149(6) of the Act and Regulation 16(1)(b) of the Listing Regulations. In terms of Regulation 25(8) of Listing Regulations, the independent Directors have also confirmed that they

are not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact their ability to discharge their duties. All the Independent Directors have included their names in Independent Director's data bank maintained with the Indian Institute of Corporate Affairs ('IICA') in terms of Section 150 of the Act read with Rule 6 of the Companies (Appointment & Qualification of Directors) Rules, 2014. It is hereby confirmed that in the opinion of Board, the Independent Directors fulfill the conditions specified under the Listing Regulations and the Act and they are independent of the Management. No Independent Director has resigned during the F.Y. 2025-26.

The table below summarizes the key attributes and skills matrix, identified by the Board of Directors, as required in the context of business of the Company and the name of Directors who have such skills / expertise / competence: -

| Name of Directors                                         | Skills/Expertise/Competence |       |            |                      |                 |                |

#### AUDIT COMMITTEE

Your Company has an Audit Committee constituted by the Board of Directors which acts as a link between the management, auditors and the Board and oversees the financial reporting process.

#### Brief Description of terms of reference

The terms of reference of the Audit Committee are aligned with the guidelines set out in the Regulation 18 read with Part C of schedule II of the Listing Regulations and also with the provisions of Section 177 of the Act. The terms of reference broadly includes review of financial

reporting processes, auditors' report, internal control, risk management system, Internal Financial Control and its adequacy, functioning of whistle blower mechanism and governance processes, discussions and approval of quarterly, half yearly and annual financial statements/results, recommendation for appointment, remuneration and terms of appointment of auditors, monitor related party transactions, uses and application of funds raised through issues, review of Auditors' Independence and performance and effectiveness of Audit process, appointment of CFO etc.

#### Composition, Meetings and Attendance

| Name of Director        | Nature of Directorship | Designation in Committee | No. of Meetings |            |
|-------------------------|------------------------|--------------------------|-----------------|------------|
|                         |                        |                          | Held            | Attendance |
| Mrs. Amreen Sheikh      | Independent Director   | Chairperson              | 6               | 6          |
| Mrs. Annie Zuberi Khan  | Independent Director   | Member                   | 6               | 6          |
| Mr. Mohammed Sabir Khan | Managing Director      | Member                   | 6               | 6          |

During the financial year 2025-26, the Audit Committee met 6 (Six) times on 30.05.2025, 20.08.2025, 14.11.2025, 25.11.2025, 13.02.2026, and 31.03.2026.

The Chairman & Managing Director, CFO as well as the representatives of the auditors are permanent invitees to the audit committee meetings. The Company Secretary acts as secretary to the audit committee.

#### NOMINATION AND REMUNERATION COMMITTEE

Your Company has Nomination and Remuneration Committee constituted by the Board of Directors to oversee appointment, remuneration and

performance evaluation of Directors, Key Managerial Personnel (KMP) & Senior Management Personnel (SMP).

#### Brief Description of terms of reference

The terms of reference of Nomination and Remuneration Committee are aligned with the guidelines set out in the Regulation 19 read with Part D of Schedule II of the Listing Regulations and also with the provisions of Section 178 of the Act which broadly includes formulation of the criteria for determining qualifications, positive attributes and independence of a director and recommend

to the Board a policy, relating to the remuneration of the directors, key managerial personnel and senior management personnel; formulation of criteria for evaluation of performance of the Directors, Committees and the Board of Directors and devising a policy on Board diversity; Identifying persons who are qualified to become directors and who may be appointed in senior management in

accordance with the criteria laid down, and recommend to the Board their appointment and removal. Decision about extension or continuation of term of Directors including Independent Directors on the basis of report of performance evaluation and to recommend to the Board, all remuneration in whatever form, payable to senior management.

#### Composition, Meetings and Attendance

| Name of Director       | Nature of Directorship | Designation in Committee | No. of Meetings |            |
|------------------------|------------------------|--------------------------|-----------------|------------|
|                        |                        |                          | Held            | Attendance |
| Mrs. Annie Zuberi Khan | Independent Director   | Chairperson              | 2               | 2          |
| Mrs. Amreen Sheikh     | Independent Director   | Member                   | 2               | 2          |
| Mr. Ramesh Agarwal*    | Independent Director   | Member                   | 2               | -          |
| Mrs. Anam Hamid*       | Independent Director   | Member                   | 2               | -          |

\*During the period under review, the committee was reconstituted due to the sad demise of Mr. Ramesh Agarwal on October 01, 2025. Subsequently, Mrs. Anam Hamid was appointed as an Independent Director and inducted into the committee with effect from December 26, 2025.

During the financial year 2025-26, the Nomination and Remuneration Committee met 2 (two) times on 30.05.2025 and 16.12.2025.

#### Performance Evaluation

Pursuant to the Section 178 of the Act and Regulation 19 of Listing Regulations, the Nomination and Remuneration Committee has specified the manner and the criteria for performance evaluation of the Board as a whole, its Committees and Individual Directors (including Independent Directors). The indicative criteria on which evaluation was carried out was broadly based on the Guidance Note on Board Evaluation issued by SEBI vide Master Circular HO/49/14/14(7)2025-CFD-POD2/1/3762/2026 dated 30.01.2026 and includes, Board structure and composition, Effectiveness of Board processes, information and functioning, Attendance (captured from records of meetings), Contribution, Guidance/ support to management / Committee meetings, Quality of relationship of the committee with the Board and the management, Sustainability, Board culture and dynamics etc.

Further, at the Board meeting that followed the meeting of Nomination and Remuneration Committee, the performance evaluation of the Board as a whole, its Committees, and individual

Directors was discussed. The performance evaluation of the Independent Directors was also carried out by the entire Board (excluding the director being evaluated). The overall performance evaluation exercise was completed to the satisfaction of the Board.

The Independent Directors in their separate meeting have reviewed the performance of non-independent Directors, Chairperson of the Board and the Board as a whole.

The detailed Policy inter-alia including criteria for performance evaluation is available under web link [https://www.swarajsuiting.com/uploads/reports/NO MINATION%20AND%20REMUNERATION%20POLICY.pdf](https://www.swarajsuiting.com/uploads/reports/NO%20MINATION%20AND%20REMUNERATION%20POLICY.pdf).

#### Remuneration of Directors

Non-Executive Independent Directors are paid only sitting fees for attending the Board and Committee meetings and Promoter Directors are paid Salary and Perquisites subject to the overall ceilings imposed by the Act and other applicable statutes.

The appointment and remuneration of Promoter and Executive Directors are governed as per terms and conditions approved by the Board of Directors and Shareholders on the recommendation of Nomination and Remuneration Committee.

## Details of Remuneration paid to Promoter &amp; Executive Directors

(₹ In Lakhs)

### Procedure adopted for Postal Ballot

In accordance with the provisions of the Act and Listing Regulations and relevant Circulars issued by the Ministry of Corporate Affairs and SEBI from time to time, the resolutions were proposed by means of Postal Ballot only by way of remote e-voting process ('e-voting').

The Company engaged the services of National Securities Depository Limited, to provide e-voting facility to all its members.

Notice dated 23.02.2026 & 26.08.2025 was sent only through electronic form to those members, whose names appeared in the Register of Members/List of Beneficial Owners as received from the Depositories/Registrar and Transfer Agent ('RTA').

Mr. Brij Kishore Sharma, proprietor of M/s B K Sharma & Associates, Practicing Company Secretary (Membership No. FCS 6206 CP No. 12636) acted as Scrutinizer for conducting the above Postal Ballot in a fair and transparent manner.

The Scrutinizer submitted his report on 25.03.2026 & 25.09.2025, respectively after the completion of

scrutiny and the result of the e-voting along with Scrutinizer's report was announced on 25.03.2026 & 26.09.2025, respectively to the stock exchanges within the statutory timelines.

Further, no special resolution is proposed to be conducted through Postal Ballot as on the date of this report.

### **INDEPENDENT DIRECTORS' MEETING**

Pursuant to Regulation 25(3) of the Listing Regulations, a meeting of the Independent Directors was held on 13.02.2026 without the attendance of Non-Independent Directors and members of management to inter-alia:

- Review the performance of Non-Independent Directors and the Board of Directors as a whole;
- Review the performance of the Chairman of the Company taking into account the views of the Executive and Non-Executive Directors;
- Assess the quality, content and timelines of flow of information between the Management of the Company and the Board of Directors that is necessary for the Board of Directors to effectively and reasonably perform their duties.
- All the Independent Directors were present at the Meeting.

### **OTHER DISCLOSURES**

#### **Details of Compliances**

The Company has complied with all the applicable requirements of the Listing Regulations as well as SEBI regulations and guidelines. During the last three years, no penalties/strictures were imposed / passed on the Company by Stock Exchanges or SEBI or any other statutory authority on any matter related to capital markets.

#### **Related Party Transactions**

All the related party transactions are entered on arm's length basis and in the ordinary course of business during the financial year 2025-26. The Company has complied with all the applicable provisions of the Listing Regulations and the Act in this regard. There were no materially significant transactions with related parties during the financial year 2025-26 that may have potential conflict with interest of listed entity at large. Suitable disclosure has been made in the notes to the Financial Statements. Pursuant to regulation 23 of the Listing Regulations, all the related party transactions are disclosed to Stock Exchanges on half yearly basis. The Board has approved a policy for related party transactions which has been uploaded on the Company's website under the link

<https://www.swarajsuiting.com/uploads/reports/RP T.pdf>

### **Code of Conduct**

The Board of the Company has laid down a Code of Conduct for all Board members and Senior Management of the Company. The Company is committed to conduct its business in accordance with the pertinent laws, rules and regulations and with the highest standards of business ethics.

The code of conduct for Directors and Senior Management as approved by the Board of Directors has been placed on the website of the Company under the link <https://www.swarajsuiting.com/uploads/reports/Code%20of%20Conduct%20for%20Directors%20&%20Senior%20Management%20Personnel.pdf>

All Board members and senior management personnel have affirmed compliance with the code of conduct during the year under review. In this regard, certificate of Managing Director is given at the end of this report.

### **Code of Conduct for Regulating, Monitoring & Reporting Trading by Insiders**

In compliance with the SEBI (Prohibition of Insider Trading) Regulations, 2015 the Company has instituted a comprehensive code of conduct for Regulating, Monitoring & Reporting Trading in shares of the Company by designated and connected persons. The Code lays down guidelines, which advises them on procedures to be followed and disclosures to be made, while trading in shares of the Company and cautions them on consequences of violations. The Company follows closure of trading window prior to the publication of price sensitive information. The Company has been informing the directors, senior management personnel and other persons covered under the code and advise them not to trade in Company's securities during the closure of trading window period.

### **Compliance with Regulation 34(3) of Listing Regulations**

In accordance with the provisions of Regulation 34(3) read with Schedule V Para C Sub clause (10) (i) of the Listing Regulations, the Company has obtained a certificate from Practicing Company Secretary confirming that none of the Directors on the Board of the Company has been debarred or disqualified from being appointed or continuing as directors of companies by the Securities and Exchange Board of India, Ministry of Corporate

Affairs or any such statutory authority. The certificate is annexed with the report.

### **Whistle Blower Policy/Vigil Mechanism**

With the rapid expansion of business in terms of volume, value and geography, various risks associated with the business have also increased considerably. One such risk identified is the risk of fraud & misconduct. The Audit Committee is committed to ensure fraud-free work environment and to this end the Committee has laid down a Whistle Blower Policy providing a platform to all the Directors, employee, other stakeholders. As per policy, they can report any suspected or confirmed incident of fraud/misconduct to the Chairman of Audit Committee. The policy also provides for adequate safeguard against victimization. This policy is applicable to all the directors, employees, other stakeholders of the Company and it is posted on the website of the Company under the link <https://www.swarajsuiting.com/uploads/reports/Whistle%20Blower%20Policy-%20Vigil%20Mechanism.pdf>. It provides for direct access to the Chairperson of audit committee in appropriate or exceptional cases. No employee was denied access to the Audit Committee.

During the year under review, there was no instance of fraud and no whistle blower event was reported.

### **Prohibition of Sexual Harassment of Women at workplace**

The Company has in place a Policy for prevention of sexual harassment of women at workplace and constituted internal complaints committee in line with the requirements of the Sexual Harassment of Woman at Workplace (Prevention, Prohibition and Redressal) Act, 2013 to redress complaints regarding sexual harassment at workplace.

The committee meet from time to time and informed that no complaint was pending at the beginning and end of the year and no complaint of sexual harassment of women has been received during the financial year 2025-26 and no complaint was pending for more than 90 days.

### **Familiarization Programme for Independent Directors:**

On appointment, the concerned Director is issued a Letter of Appointment setting out in detail, the terms of appointment, duties, responsibilities and expected time commitments. Each newly appointed Independent Director is taken through a formal

induction program on the Company's manufacturing, marketing, finance and other important aspects. The authorised person briefs the Director about their legal and regulatory responsibilities as a Director. Further, the Directors are regularly updated with amendments in the provisions of the Act, Listing Regulations, other applicable SEBI Regulations etc. Besides these, Directors are updated on continuous basis in respect of Related Party Transactions, Audit and Auditors and they are periodically meeting with the senior management of the Company.

The details of familiarization programme for Independent Directors is available at the website of the Company under the link <https://www.swarajsuiting.com/policy>

No share is lying in DEMAT suspense account/unclaimed suspense account.

Pursuant to Regulations 30A (2) of Listing Regulations we confirm that no agreement is subsist under clause 5A to para A of part A of schedule III to the Listing Regulations.

**Details of Preferential Issue**

During the financial year under review, the Company raised ₹79.56 crore through preferential allotment of 33,71,400 Equity Shares at an issue price of ₹236 per Equity Share and allotted 62,25,500 Convertible Warrants at an issue price of ₹236 per Warrant, aggregating to ₹146.92 crore. As on March 31, 2026, the Company had received ₹53.02 crore against the Warrants, comprising ₹36.73 crore received at the time of allotment and ₹16.29 crore received upon conversion of Warrants into Equity Shares. The balance amount of ₹93.90 crore is receivable upon exercise of the outstanding Warrants within the prescribed period of 18 months from the date of allotment.

Out of the proceeds raised through the preferential allotment of Equity Shares, ₹69.32 crore was utilised towards Working Capital and General Corporate Purposes, while ₹10.24 crore remained unutilised and earmarked for Capital Expenditure. Further, out of the proceeds received against the preferential allotment and conversion of Warrants, ₹49.92 crore was utilised towards Working Capital and General Corporate Purposes, while ₹101.80 crore remained allocated for Capital Expenditure and is proposed to be utilised in accordance with the objects of the issue.

During the period under review, The Company has utilised an amount of ₹ 4.80 Crore out of the proceeds of the preferential issue of Warrants, towards the object of Working Capital in excess of the amount originally allocated towards the said object. Consequently, the proceeds available for Capital Expenditure stood reduced by ₹4.80 Crore for subsequent utilization, representing a variation from the revised cost of objects pursuant to under subscription, however the monitoring agency CRISIL Rating Limited has reported the aforesaid utilisation as a deviation in its report. The aforesaid variation is only in the allocation and utilisation of the proceeds between the existing objects of the Preferential Issue, i.e., from Capital Expenditure to Working Capital. There is no change in the nature or scope of the objects for which the funds were raised, and the funds continue to be utilised towards the objects originally approved by the members. Further, as a consequence of the aforesaid variation, the balance requirement towards Capital Expenditure shall be met by the Company from its internal accruals, internal resources and/or such other available sources, as may be determined by the Board of Directors from time to time.

**MEANS OF COMMUNICATION**

The main channel of communication to shareholders is through Annual Report which inter-alia includes the Board's Report, the Report on Corporate Governance and Audited Financial Statements. ## COMPLIANCE CERTIFICATE

{Under Regulation 17(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015}

- A. We have reviewed financial statements and cash flow statement for the year ended 31st March, 2026 and that to the best of our knowledge and belief:
  1. These statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading.
  2. These statements together present a true and fair view of the Company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
- B. There are, to the best of our knowledge and belief, no transactions entered into by the company during the year which are fraudulent, illegal or violative of the Company's Code of Conduct.
- C. We accept responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of the internal control system of the Company pertaining to financial reporting and we have disclosed to the auditors and the audit committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken or propose to take rectify these deficiencies.

We have indicated to the Auditors and the Audit Committee:

1. Significant changes in internal control over financial reporting during the year;
2. Significant changes in accounting policies during the year and that the same have been disclosed in the notes to the financial statements; and
3. Instances of significant fraud of which we have become aware and the involvement therein, if any, of the management or an employee having a significant role in the Company's internal control system over financial reporting.

## AUDITOR'S CERTIFICATE ON COMPLIANCE OF CORPORATE GOVERNANCE

To,

### The Members

### Swaraj Suiting Limited

We have examined the compliance of conditions of Corporate Governance by Swaraj Suiting Limited for the year ended 31st March, 2026 as stipulated in Regulation 17 to 27 and clause (b) to (i) of sub-regulation (2) of regulation 46(2) and para C and D of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

The compliance of conditions of Corporate Governance is the responsibility of Management of the Company. Our examination was limited to review of the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the condition of Corporate Governance as stipulated in the above-mentioned "Listing Regulations".

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company

# **SWARAJ SUITING LIMITED**

## **FINANCIAL STATEMENTS FOR FY 2025–26**

## INDEPENDENT AUDITOR'S REPORT

To,  
**The Members of**  
**SWARAJ SUITING LIMITED**

### **Report on the Audit of the Standalone Financial Statements**

#### **Opinion**

We have audited the accompanying standalone financial statements of SWARAJ SUITING LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as the "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS"), and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its profit including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### **Information Other than the Financial Statements and Auditors' Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures thereto, Business Responsibility and Sustainability Report, Corporate Governance Report and Shareholders' Information, but does not include the Standalone Financial Statements and our auditor's report thereon.

The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether such other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of such other information, we are required to report that fact. We have nothing to report in this regard.

When we read the other information that is expected to be made available to us after the date of this auditor's report and if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and

cash flows of the Company in accordance with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS"), and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing ("SAs") will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain

professional skepticism throughout the audit. We also:

- i. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- v. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in

- a. Planning the scope of our audit work and in evaluating the results of our work; and
- b. To evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Companies Act, 2013 ("the Act"), we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, based on our audit we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, and to the best of our information and according to the explanations given to us, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account.
  - d) In our opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
  - e) On the basis of the written representations received from the Directors, as on 31st March, 2026 and taken on record by the Board of Directors, none of the Directors are disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
  - f) With respect to the adequacy of the internal financial controls with reference to over financial statements (Reporting) of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B'.
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
  - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company does not have any pending litigations which would impact its financial position.
    - ii. The Company did not have any long-term contracts including derivative contracts, for which there were any material foreseeable losses.
    - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
    - iv. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes

to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that such Intermediary shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The management has represented, that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material mis-statement.

- v. No dividend have been declared or paid during the year by the company.

- vi. Based on our examination, which included test checks, the Company has used SAP ERP system for maintaining its books of account for the financial year ended March 31, 2026, which has a feature of recording audit trail (edit log) facility, and the same has operated throughout the year for all relevant transactions recorded in the software.

Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is applicable for the financial year ended March 31, 2026 and based on our examination, the Company has preserved the audit trail records in accordance with the statutory requirements.

## ANNEXURE “A” TO THE INDEPENDENT AUDITORS’ REPORT

**(Referred to in paragraph 1 under the heading “Report on Other Legal and Regulatory Requirements” of our report of even date)**

**Report on the matters specified in paragraphs 3 and 4 of the Companies (Auditor’s Report) Order, 2020 (“the Order”)**

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- i (a)(A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment including Right-of-Use assets.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Property, Plant and Equipment including Right-of-Use assets have been physically verified by the management during the year in accordance with a regular programme of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and based on our examination of the records of the Company, the title deeds of all the immovable properties disclosed in the financial statements are held in the name of the Company. Accordingly, the requirements of clause 3(i)(c) of the Order have been complied with.
- iii. Details of investments made, guarantees or securities provided or any loans or advances in the nature of loans granted, whether secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties are provided below:-
  - (a) The details of the guarantees, securities, loans and advance in the nature of loans are as follows:
    - (d) The Company has not revalued its Property, Plant and Equipment (including Right-of-Use assets) or intangible assets during the year.
    - (e) According to the information and explanations given to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.
  - ii. (a) As explained to us, the inventories comprising raw materials, work-in-progress, finished goods and stores & spares have been physically verified by the management at reasonable intervals during the year. In our opinion, the coverage and procedure of such verification by the management are appropriate having regard to the size of the Company and the nature of its operations. No discrepancies of 10% or more in the aggregate for each class of inventory were noticed on such physical verification.
  - (b) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of ₹5 Crore, in aggregate, from banks/financial institutions on the basis of security of current assets. The quarterly returns/statements filed by the Company with such banks/financial institutions are in agreement with the books of account of the Company.

| -Others                                             | -      |

The Investment made is not prejudicial to the company's interest and the company has also complied with the other applicable provisions of Companies Act, 2013 in this regards.

- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 186 of the Companies Act, 2013 in respect of investments made and guarantees provided, as applicable. The Company has provided guarantees on behalf of an associate company, covered under Section 185 of the Companies Act, 2013. In our opinion and according to the information and explanations given to us, the Company has complied with the

- applicable provisions of Section 185 of the Companies Act, 2013 in respect of such guarantees.
- v. The company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of Sections 73 to 76 of the Companies Act, 2013 and the rules made thereunder. Accordingly, reporting under clause 3(v) of the Order is not applicable.
- vi. We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under Section 148(1) of the Companies Act, 2013 in respect of textile manufacturing activities and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not carried out a detailed examination of such records with a view to determine whether they are accurate or complete.
- vii. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including Goods and Services Tax, Provident Fund, Employees' State Insurance, Income Tax, Customs Duty, Cess and other statutory dues have generally been regularly deposited with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid statutory dues were outstanding as at March 31, 2026 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no statutory dues referred to in sub-clause (a) that have not been deposited on account of any dispute.
- viii. According to the information and explanations given to us and based on our examination of the records of the Company, there were no transactions relating to previously unrecorded income that were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- ix. (a) Based on our audit procedures and according to the information and explanations given to us, the Company has not defaulted in repayment of loans or borrowings or in the payment of interest thereon to any lender during the year.
- (b) According to the information and explanations given by the management, the company has not been declared willful defaulter by any bank or financial institution or other lender;
- (c) In our opinion and according to the information and explanations given by the management, the Company has utilized the money obtained by way of term loans during the year for the purposes for which they were obtained,
- (d) In our opinion and according to the information and explanations given by the management, funds raised on short term basis have not been utilized for long term purposes.
- (e) In our opinion and according to the information and explanations given by the management, the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) In our opinion and according to the information and explanations given by the management, the company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- x. (a) The company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has allotted equity shares pursuant to conversion of warrants issued on preferential basis. In our opinion and according to the information and explanations given to us, the Company has complied with the requirements of Sections 42 and 62 of the Companies Act, 2013 in respect of such allotment/conversion and the funds raised have been utilised for the purposes for which they were raised.
- xi. (a) Based upon the audit procedures performed and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the year;
- (b) No report under sub-section (12) of Section 143 of the Companies Act, 2013 has been filed by us or by any other auditor in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year and up to the date of this report.

- (c) According to the information and explanations given to us, no whistle-blower complaints were received by the Company during the year.
- xii. The Company is not a Nidhi Company. Accordingly, reporting under clause 3(xii)(a) to 3(xii)(c) of the Order is not applicable.
- xiii. In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Sections 177 and 188 of the Companies Act, 2013, where applicable, and the details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. In our opinion and based on our examination, the company has an internal audit system commensurate with the size and nature of its business. We have considered the internal audit reports of the company issued till date, for the period under audit.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected with them during the year. Accordingly, reporting under clause 3(xv) of the Order is not applicable.
- xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under clause 3(xvi)(a) of the Order is not applicable.
- (b) The Company has not conducted any Non-Banking Financial or Housing Finance activities during the year. Accordingly, reporting under clause 3(xvi)(b) of the Order is not applicable.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, reporting under clause 3(xvi)(c) of the Order is not applicable.
- (d) According to the information and explanations provided to us, the Group does not have any Core Investment Company (CIC).
- xvii. We are the continuing auditors of the company from the previous financial year. There has been no resignation of the statutory auditors during the year.
- xviii. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and management plans, nothing has come to our attention which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company and we further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.
- xix. The provisions of Section 135 of the Companies Act, 2013 relating to Corporate Social Responsibility are applicable to the Company. Based on the information and explanations provided to us, there was no unspent amount required to be transferred to a Fund specified in Schedule VII to the Companies Act, 2013 or to a special account in compliance with the provisions of sub-section (5) and sub-section (6) of Section 135 of the said Act.

## ANNEXURE “B” FORMING PART OF INDEPENDENT AUDITOR’S REPORT

### Report on the Internal Financial Controls with reference to financial statements

#### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).

We have audited the internal financial controls over financial reporting of SWARAJ SUITING LIMITED (“the Company”) as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining adequate internal financial controls with reference to financial statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”).

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company’s business, including adherence to the Company’s policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of accounting records, and timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by the Institute of Chartered Accountants of India (“ICAI”) and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls

with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness.

Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to financial statements.

#### Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company’s internal financial controls with reference to financial statements include those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of Management and Directors of the Company; and

3. Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper Management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that such internal financial controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31st March 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS

### Note No. 1 – Company Information and Material Accounting Policies

#### A. Corporate Overview:

SWARAJ SUITINGS LIMITED (the “Company”), incorporated on 09th June, 2003, is a Company domiciled in India and limited by shares (CIN: L18101RJ2003PLC018359). The address of the Company’s Registered Office is F-483 TO F-487, RIICO Growth Centre, Hamirgarh, Distt. Bhilwara- (Rajasthan 311025). The company is engaged in manufacturing, processing, trading, and supply of textile fabrics and related textile products. The company is listed at National Stock Exchange of India Limited.

#### B. Basis of Preparation:

These Separate Financial Statements are prepared on Going Concern basis following Accrual basis of accounting and comply in all material aspects with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and subsequent amendments thereto, the Companies Act, 2013 (to the extent applicable), applicable provisions of the Companies Act, 2013.

#### 1. Basis of Measurement/Use of Estimates

(i) The Financial Statements are prepared on Accrual basis under the Historical Cost convention except certain Financial Assets and Liabilities (including Derivatives instruments) that are measured at fair value. Historical Cost is generally based on the Fair Value of the consideration given in exchange for goods and services. Fair Value is the price that would be received to sell an asset or paid to transfer a Liability in an orderly transaction between market participants at the measurement date.

(ii) The preparation of Financial Statements requires judgments, estimates and assumptions that affect the reported amount of Assets and Liabilities, disclosure of Contingent Liabilities on the date of the Financial Statements and the reported amount of Revenues and Expenses during the reporting period. The difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

#### 2. Functional and Presentation Currency

These Financial Statements are presented in Indian Rupees (INR), which is the Company’s functional currency. All financial information presented in INR has been rounded to the nearest lacs (up to two decimals), except as stated otherwise.

#### 3. Current and Non-Current classification

The Company presents Assets and Liabilities in the Balance Sheet based on Current/Non-Current classification.

##### An Asset is Current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or Cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as Non-Current.

##### A Liability is Current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

All other Liabilities are classified as Non-Current and Deferred Tax Assets/Liabilities are classified as Non-Current.

#### C. Material Accounting Policies

A summary of the material Accounting Policies applied in the preparation of the Financial Statements are as given below. These Accounting Policies have been applied consistently to all periods presented in the Financial Statements.

## 1. Property, Plant & Equipment

### 1.1 Initial Recognition and Measurement

An item of Property, Plant and Equipment is recognized as an Asset if and only if it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably.

Items of Property, Plant and Equipment are measured at Cost less Accumulated Depreciation/Amortization and Accumulated impairment losses. Cost includes expenditure that is directly attributable to bringing the asset, inclusive of non-refundable taxes & duties, to the location and condition necessary for it to be capable of operating in the manner intended by management.

When parts of an item of property, plant and equipment have different useful lives, they are recognized separately.

Items of spare parts, stand-by equipment and servicing equipment which meet the definition of Property, Plant and Equipment are capitalized.

### 1.2 Subsequent Costs

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably. The cost of replacing part of an item of Property, Plant and Equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is derecognized. The costs of the day-to-day servicing of Property, Plant and Equipment are recognized in Statement of Profit or Loss as and when incurred.

### 1.3 Derecognition

Property, Plant and Equipment are derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and Losses on disposal of an item of Property, Plant and Equipment are determined by comparing the proceeds from disposal with the carrying amount of Property, Plant and Equipment, and are recognized in the Statement of Profit and Loss.

### 1.4 Depreciation

Assets are depreciated using straight line method over the estimated useful life of the asset as specified in Part "C" of Schedule II of Companies Act, 2013 except for Plant & Machinery (other than Laboratory Equipments, Fire Fighting Equipments and Tools & Equipments) whose estimated useful life is taken as 13 years (Triple Shift) after retaining residual life of 5% of original cost. Assets residual values and useful lives are reviewed at each financial year end considering the physical condition of the assets.

Depreciation on additions to/deductions from Property, Plant & Equipment during the year is charged on pro-rata basis from/up to the date on which the asset is available for use/disposed.

Where it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably, subsequent expenditure on a PPE along-with its unamortized depreciable amount is charged off prospectively over the revised useful life determined by technical assessment.

In circumstance, where a property is abandoned, the cumulative capitalized costs relating to the property are written off in the same period.

## 2. Capital Work-in-Progress

The cost of self-constructed assets includes the cost of materials & direct labour, any other costs directly attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by management and borrowing costs.

Expenses directly attributable to construction of property, plant and equipment incurred till they are ready for their intended use are identified and allocated on a systematic basis on the cost of related assets.

## 3. Intangible Assets and Intangible Assets under Development

### 3.1. Initial recognition and measurement

An Intangible Asset is recognized if and only if it is probable that the expected future economic benefits that are attributable to the asset will flow to the company and the cost of the asset can be measured reliably.

Intangible assets that are acquired by the Company, which have finite useful lives, are recognized at cost. Subsequent measurement is done at cost less accumulated amortization and accumulated impairment losses. Cost includes any directly attributable incidental expenses necessary to make the assets ready for its intended use.

Expenditure on development activities is capitalized only if the expenditure can be measured reliably, the product or process is technically and commercially feasible, future economic benefits are probable and the Company intends to and has sufficient resources to complete development and to use or sell the asset.

Expenditure incurred which are eligible for capitalizations under intangible assets are carried as intangible assets under development till they are ready for their intended use.

### **3.2. Subsequent Costs**

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.

### **3.3. Derecognition**

An Intangible Asset is derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and Losses on disposal of an item of Intangible Assets are determined by comparing the proceeds from disposal with the carrying amount of Intangible Assets and are recognized in the Statement of Profit and Loss.

### **3.4. Amortization**

Intangible Assets having definite life is amortized on straight line method in their useful lives. Useful life of Computer Software is estimated at five years.

## **4. Borrowing Cost**

Borrowing costs that are directly attributable to the acquisition, construction, exploration, development or erection of qualifying assets are capitalized as part of cost of such asset until such time the assets are substantially ready for their intended use. Qualifying assets are assets which take a substantial period of time to get ready for their

intended use or sale. Capitalization of borrowing costs ceases when substantially all the activities necessary to prepare the qualifying assets for their intended uses are complete. Borrowing costs consist of:

- a) Interest expense calculated using the effective interest method as described in Ind AS 109 – ‘Financial Instruments’,
- b) Finance charges in respect of finance leases recognized in accordance with Ind AS 116 – ‘Leases’,
- c) Exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs and,
- d) Other costs that an entity incurs in connection with the borrowing of funds. Income earned on temporary investment of the borrowings pending their expenditure on the qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are charged to revenue as and when incurred.

## **5. Statement of Cash Flows**

Cash Flow Statement has been prepared in accordance with the indirect method prescribed in Ind AS 7 ‘Statement of Cash Flows’.

## **6. Inventories**

Inventories are valued at the lower of cost and net realisable value. Cost includes cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale. Spare parts other than those capitalized as Property, Plant and Equipment are carried as inventory. The diminution in the value of obsolete, unserviceable and surplus stores & spares is ascertained on review and provided for.

## **7. Cash and Cash Equivalent**

Cash and cash equivalent in the Balance Sheet comprises Cash at Banks, Cash on Hand and Short-Term Deposits with an original maturity of three months or less, which are subject to insignificant risk of change in value.

## 8. Government Grants

Government grants are recognized where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions. When the government grant relates to an asset, the asset is disclosed by deducting that grant in arriving at the carrying amount of that asset. Government grants that compensate the Company for expenses incurred are recognized in the statement of profit and loss, as income or deduction from the relevant expense, on a systematic basis in the periods in which the expense is recognized.

## 9. Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

Contingent Liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a Contingent Liability, unless the probability of

outflow of economic benefits is remote. Contingent Liabilities are disclosed on the basis of judgment of the management/independent experts. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

Contingent Assets are possible assets that arise from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent Assets are disclosed in the financial statements when inflow of economic benefits is probable on the basis of judgment of management. These are assessed continually to ensure that developments are appropriately reflected in the financial statements.

## 10. Foreign Currency Transactions and Translation

Transactions in foreign currencies are initially recorded at the functional currency rates at the date the transaction first qualifies for recognition.

Monetary Assets and Liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognized in Statement of Profit and Loss in the year in which it arises. Non-monetary items are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction.

## 11. Revenue Recognition

The Company derives revenues primarily from business of textiles. Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services.

Ind AS 115 moves away from the “transfer of risk and rewards” approach and introduces a new “transfer of control” approach delivered through the new five-step model described as follows:

1. Identify the contract with a customer.
2. Identify the separate performance obligations in the contract.
3. Determine the transaction Price.
4. Allocate the transaction price to the separate performance obligations.

5. Recognize revenue when (or as) each performance obligation is satisfied.

At contract inception, an entity assesses the goods or services promised in a contract with a customer and identify each performance obligation promised to be transferred to the customer either:

- (a) A good or service (or a bundle of goods or services) that is distinct; or
- (b) A series of distinct goods or services that are substantially the same and that have the same pattern of transfer to the customer.

The company classifies the right to consideration in exchange for deliverables as either a receivable or as a contract asset. A receivable is a right to consideration that is unconditional upon passage of time. Revenues in excess of billings is recorded as contract asset and is classified as a financial asset for these cases a right to consideration is unconditional upon passage of time. This would result in the timing of revenue recognition being different from the time of billing the customers.

Company classifies amount received as advance from customers against sales as contract liability.

Trade receivables and unbilled revenues are presented net of impairment in the Balance Sheet.

### **11.1 Sale of Goods**

Revenue from the sale of goods is recognized upon transfer of control of the goods have passed to the buyer, which generally coincides with dispatch. Revenue from export sales are recognized on shipment basis. Revenue from the sale of goods is measured at an amount that reflects the consideration we expect to receive in exchange for those products (i.e. the transaction price). The Company presents revenues net of indirect taxes, returns and allowances, trade discounts and volume rebates in its Statement of Profit and Loss.

### **11.2 Rendering of services**

Revenue from Job work services is recognized based on the services rendered in accordance with the terms of contracts.

### **11.3 Other Export Benefit**

Export benefits are accounted for in the year of export at net market realizable value.

### **11.4 Other Income**

Revenue from transactions or events that do not arise from a contract with a customer not in the scope of Ind AS 115 are continue to be recognized in accordance with the other standards. Such Income includes Interest and Dividend income which are dealt with in Ind AS 109 and Rental income to be accounted as per Ind AS 116.

### **11.5 Interest Income**

For all financial instruments measured at amortized cost and interest-bearing financial assets classified as fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). The EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in other income in the statement of profit or loss.

### **11.6 Dividend**

Dividend Income is recognized when the company's right to receive is established which generally occurs when the shareholders approve the dividend.

### **11.7 Income other than Interest and Dividend**

Other income is recognized in the Statement of Profit and Loss when increase in future economic benefits related to an increase in an asset or a decrease of a liability has arisen that can be measured reliably.

## **12. Employee Benefits**

### **12.1. Short Term Benefit**

Short-term employee benefit obligations are measured on an undiscounted basis and are booked as an expense as the related service is provided. A liability is recognized for the amount expected to be paid under performance related pay if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

## 12.2. Post-Employment Benefits

Employee Benefit that are payable after the completion of employment are Post-Employment Benefit (other than termination benefit). These are of two types:

**12.2.1. Defined Contribution Plans** are those plans in which an entity pays fixed contribution into separate entities and will have no legal or constructive obligation to pay further amounts. Provident Fund and Family Pension Funds are Defined Contribution Plans in which company pays a fixed contribution and will have no further obligation.

**12.2.2. Defined Benefit Plans** is a post-employment benefit plan other than a defined contribution plan. Company pays Gratuity as per provisions of the Gratuity Act, 1972. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognized past service costs and the fair value of any plan assets are deducted. The discount rate is based on the prevailing market yields of Indian government securities as at the reporting date that have maturity dates approximating the terms of the Company's obligations and that are denominated in the same currency in which the benefits are expected to be paid.

The calculation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a liability to the company, the present value of liability is recognized as provision for employee benefit. Any actuarial gains or losses in respect of gratuity are recognized in OCI in the period in which they arise.

## 12.3 Other Long-Term Employee Benefits

Benefits under the Company's Leave Encashment Scheme constitute other long-term employee benefits. The Company's net obligation in respect of leave encashment is the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value, and the fair value of any related assets is deducted. The discount rate is based on the prevailing market yields of Indian government securities as at the reporting date that have

maturity dates approximating the terms of the Company's obligations. The calculation is performed using the projected unit credit method. Any actuarial gains or losses are recognized in profit or loss in the period in which they arise.

## 13. Income Taxes

Income Tax Expense comprises Current and Deferred Tax. Current Tax Expense is recognized in Statement of Profit and Loss A/c except to the extent that it relates to items recognized directly in other comprehensive income or equity, in which it is recognized in OCI or Equity.

Current Tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted and as applicable at the reporting date, and any adjustment to tax payable in respect of previous years. Current Income Taxes are recognized under 'Income Tax payable' net of payments on account, or under 'Tax receivables' where there is a debit balance.

Deferred Tax is recognized using the Balance Sheet method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred Tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred Tax Assets and Liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle Current Tax Liabilities and Assets on a net basis or their tax assets and liabilities will be realized simultaneously.

Deferred Tax is recognized in Statement of Profit and Loss except to the extent that it relates to items recognized directly in OCI or Equity, in which case it is recognized in OCI or Equity.

A Deferred Tax Asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

## 14. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### (a) Financial Assets

#### Initial recognition and measurement

All financial assets are recognized initially at fair value plus or minus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition or issue of the financial asset.

#### Impairment of Financial Assets

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets and credit risk exposure.

For recognition of impairment loss on financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used.

If, in a subsequent period, the credit quality of the instrument improves then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

In respect of Trade receivables or any financial asset that result from transactions that are within the scope of Ind AS 115, company follows 'simplified approach' for recognition of impairment loss allowance within the scope of Ind AS 115, if they do not contain a significant financing component. It recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

### (b) Financial Liabilities

#### Initial recognition and measurement

All Financial Liabilities are recognized at fair value and in case of loans, net of directly attributable transaction cost. Fees of recurring nature are directly recognized in the Statement of Profit and Loss as finance cost.

#### Subsequent Measurement

Financial Liabilities are carried at amortized cost using the effective interest method. Amortized

cost is calculated by taking into account any discount or premium on acquisition and any material transaction that are any integral part of the EIR. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate the fair value of the instrument.

#### Derecognition

A Financial Liability is derecognized when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

## 15. CSR Expenditure

The Company undertakes Corporate Social Responsibility (CSR) activities as per Section 135 of the Companies Act, 2013 and the Companies (CSR Policy) Rules, 2014. CSR expenditure includes amounts incurred on activities that are approved as ongoing projects by the Board in line with the CSR policy and applicable law.

CSR expenditure is recognized in the Statement of Profit and Loss in the period in which it is incurred. For ongoing projects, any unspent amount at the end of the financial year is transferred to a separate "Unspent CSR Account" with a scheduled bank within 30 days from the end of the financial year, in accordance with Section 135(6) of the Act. Such amounts are spent within the timelines prescribed under Rule 4(6) of the CSR Rules.

The Company does not capitalize any CSR expenditure unless it results in the creation of an asset controlled by a qualifying entity as specified under Rule 7(4) of the CSR Rules.

## D. Other Accounting Policies

### 1. Leases:

#### 1.1 Recognition: The Company as a Lessee-

The Company's Lease Asset classes primarily consist of Leases for Plant and Machinery. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right

to control the use of an identified asset for a period of time in exchange for consideration.

To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- i. The contract involves the use of an identified asset
- ii. The Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- iii. The Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised. The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company

changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

## 1.2 Accounting for

### 1.2.1 Operating Leases

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating lease. Payments made under operating leases are recognized as an expense over the lease term.

### 1.2.2 Finance Lease

Leases of Property, Plant and Equipment where the Company, as lessee has substantially all risks and rewards of ownership are classified as finance lease. On initial recognition, assets held under finance leases are recorded as Property, Plant and Equipment and the related liability is recognized under borrowings. At inception of the lease, finance leases are recorded at amounts equal to the fair value of the leased asset or, if lower, the present value of the minimum lease payments. Minimum lease payments made under finance leases are apportioned between the finance expense and the reduction of the outstanding liability.

## 2. Impairment of Non-Financial Assets

The carrying amounts of the Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment considering the provisions of Ind AS 36 'Impairment of Assets'. If any such indication exists, then the asset's recoverable amount (higher of its fair value less costs to disposal or its value in use) is estimated. An impairment loss is recognized if the carrying amount of an asset or its Cash Generating Unit (CGU) exceeds its estimated recoverable amount. Impairment losses are recognized in profit or loss.

Impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount which is only to the extent that the asset's carrying amount does not exceed the

carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

### **3. Dividends**

Dividends and Interim dividends payable to a Company's shareholders are recognized as changes in equity in the period in which they are approved by the shareholders' meeting and the Board of Directors respectively.

### **4. Material Prior Period Errors**

Material prior period errors are corrected retrospectively by restating the comparative amounts for the prior periods presented in which the error occurred. If the error occurred before the earliest prior period presented, the opening balances of assets, liabilities and equity for the earliest prior period presented, are restated.

### **5. Earnings per Share**

Basic earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the financial year.

Diluted earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

## **E. Major Estimates made in preparing Financial Statements:**

### **1. Useful life of Property, Plant and Equipment and Intangible Assets**

The estimated useful life of Property, Plant and Equipment is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological Advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

Useful life of the assets other than Plant and machinery (except Laboratory Equipments, Fire Fighting Equipment and Tools & Equipments) are in accordance with Schedule II of the Companies Act, 2013.

The Company reviews at the end of each reporting date the useful life of property, plant and equipment, and are adjusted prospectively, if appropriate. Intangible assets are being amortized on straight line basis over the period of five years.

### **2. Post-Employment Benefit Plans**

Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning

Future developments in discount rates, the rate of salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate and documented. However, any changes in these assumptions may have a material impact on the resulting calculations.

### **3. Provisions and Contingencies**

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with Ind AS 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events requires best judgment by management regarding the probability of exposure to potential loss. In case of change in the circumstances following unforeseeable developments, the likelihood could alter.

The preparation of financial statements in conformity with IND AS requires management to make estimates, judgements and assumptions that affect the reported amounts of assets, liabilities, income, expenses and disclosures of contingent liabilities at the date of the financial statements.

Actual results may differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

### **Significant other estimates and judgements include:**

- Recognition of deferred tax assets;
- Expected credit loss allowance;
- Fair valuation of financial instruments;
- Determination of lease term and discount rate.

**Rights, preferences and restrictions attached to shares**

The Company has only one class of Equity Shares having a par value of ₹10 per share. Each shareholder is eligible for one vote per share held. The dividend proposed by the Board of Directors is subject to the approval of shareholders in the ensuing Annual General Meeting, except in case of interim dividend. In the event of liquidation, the Equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts, in proportion to their shareholding.

## DISCLOSURES AND ADDITIONAL INFORMATION

(₹ In Lakhs, unless otherwise stated)

### Note 36: Disclosure as per Ind AS 19 "Employee Benefits"

#### a) Defined Contribution Plan

The Company makes contributions towards Employees Provident Fund for qualifying employees. The Fund is operated by the Regional Provident Fund Commissioner. The amount of contribution is recognised as expense for defined contribution plans.

#### b) Defined Benefit Plan & Other Long-Term Benefits

##### i. Gratuity

The Company makes payment to vested employees at retirement, disability or

termination of employment as per provisions of Payment of Gratuity Act, 1972. The provision of Gratuity liability as on the Balance Sheet date is done on actuarial valuation basis for qualifying employees and the same is funded in the funds held under the Gratuity Plan by Trust.

The present value of the Defined Benefits obligation and the related current service cost is measured using the Projected Unit Credit Actuarial Method at the end of Balance Sheet date by the Actuary.

ii. The following table set out the status of Gratuity and Leave encashment plans as required under Ind AS-19:

| c) Employee Turnover/Attrition Rate                                         |                |                |
| 18 To 30 Years                                                              | 5.00           | 5.00           |
| 31 to 44 Years                                                              | 5.00           | 5.00           |
| Above 44 Years                                                              | 5.00           | 5.00           |

**(f) Sensitivity Analysis as at 31st March, 2026:**

| Particulars                                                         | Gratuity |
|---------------------------------------------------------------------|----------|
| Defined benefit Obligation – Discount Rate+50 Basis points          | (7.80)   |
| Defined benefit Obligation – Discount Rate-50 Basis points          | 8.48     |
| Defined benefit Obligation – Salary Escalation Rate+50 Basis points | 7.27     |
| Defined benefit Obligation – Salary Escalation Rate-50 Basis points | (6.79)   |

(g) The estimates of future salary increase considered in actuarial valuation, take account of inflation, seniority, promotions and other relevant factors such as supply and demand in the employment market.

(h) The discount rate is based on prevailing market yields of Indian Government Bonds, as at the balance sheet date, consistent with the currency and estimated term of the post-employment benefit obligations.

### Note 37 – Disclosure as per Ind AS 107 “Financial instrument disclosure”

#### i. Capital Management

For the purpose of the Company’s capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company’s capital management is to ensure that it maintains an efficient capital structure and healthy capital ratios in order to support its business and maximize shareholder value.

The Company manages its capital so as to safeguard its ability to continue as a going concern and to optimise returns to shareholders. The capital structure of the Company is based on

management’s judgment of its strategic and day-to-day needs with a focus to maintain investor, creditors and market confidence. The management and the Board of Directors monitors the return on capital as well as the level of dividends to shareholders. The Company may take appropriate steps in order to maintain, or if necessary adjust, its capital structure, in light of changes in economic conditions and the requirement of financial Covenants.

The Company monitors capital using a gearing ratio, which is calculated by dividing Net Debt from the Equity. The Company includes within Net Debt, interest bearing loans and borrowings less cash and short-term deposits (including other bank balance) and under Equity, the Equity Share Capital plus other Equity (excluding Preference Share Capital) is considered.

| Particulars                           | As at 31st March 2026 | As at 31st March 2025 |
|---------------------------------------|-----------------------|-----------------------|

#### ii. Financial Risk Management

The Company’s Financial Risk Management is an integral part of how to plan and execute its business strategies. The Company’s financial risk management is set by the Managing Board. The Board of directors has established the risk management committee, which is responsible for developing and monitoring the Company’s risk management policies. The Committee reports regularly to the board of directors on its activities.

Company is exposed to following risk from the use of its financial instrument:

- Credit Risk
- Liquidity Risk
- Market Risk

for the year ended 31st March, 2026

##### (a) Credit Risk

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the

Company. The Company categories a loan or receivable for write off when a debtor fails to make contractual payments greater than 2 years past due. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.

##### Provision for Expected Credit or Loss

##### (a) Financial assets for which loss allowance is measured using 12 month expected credit losses:

The Company has assets where the counter-parties have sufficient capacity to meet the obligations and where the risk of default is very low. Accordingly, no loss allowance for impairment has been recognised.

##### (b) Financial assets for which loss allowance is measured using life time expected credit losses:

The Company provides loss allowance on trade receivables using life time expected credit loss and as per simplified approach.

**Ageing of Trade Receivables**

**(b) Liquidity Risk**

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to

the Company's reputation. The Company's finance department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on basis of expected cash flows.

The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

**As on 31.03.2026**

| Contractual Maturities of Financial Liabilities | Contractual Cash Flows |             |           |           |                   | Total            |
|-------------------------------------------------|------------------------|-------------|-----------|-----------|-------------------|------------------|
|                                                 | 3 Months or less       | 3-12 Months | 1-2 years | 2-5 years | More than 5 years |                  |

**\*Includes contractual interest payment based on interest rate prevailing at the end of the reporting period over the tenure of the borrowing.**

### (c) Market Risk

Considering the Company's existing foothold/experience in the Textile sector, established & diversified client base, association with various international/domestic agents, it's competent sales team and an established marketing setup in India and International Market, it does not foresee any problem in marketing its production.

Market Risk is the risk of loss of future earnings, fair values of future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchanges rates, equity prices and other market changes that effect market risk sensitive instruments.

Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, and other market changes.

The Company manages market risk through a finance department, which evaluates and exercises independent controlover the entire process of market risk management. The finance department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures, borrowing strategies, and ensuring compliance with market risk limits and policies.

### i) Interest Rate Risk:

It is the risk where changes in market interest rates might adversely affect the company's financial condition. The short term/immediate impact of changes in interest rates are on the Company's net interest income/expenses. On a longer term, change in interest rate impact the cash flows on the assets, liabilities and off-balance sheet items, giving rise to a risk to the net worth of the Company arising out of all reprising mismatches and other interest rate sensitive positions.

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rate. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

At the reporting date the interest rate profile of the Company's interest-bearing financial instruments is as follows:

#### Detail of financial instrument bearing interest rate risk

At the reporting date the interest rate profile of the Company's interest bearing financial instrument is at its fair value:

| Particulars                           | As at 31st March 2026 | As at 31st March 2025 |
|---------------------------------------|-----------------------|-----------------------|
| <b>Variable Rate Instruments</b>      |                       |                       |
| Long Term Borrowings                  | 18,578.10             | 18,875.45             |
| Current Maturities of Long Term Debts | 1,815.80              | 1,636.53              |
| Short Term Borrowings                 | 9,760.67              | 6,272.35              |
| <b>Total</b>                          | <b>30,154.57</b>      | <b>26,784.32</b>      |

**Note 38 – Disclosure as per Ind AS 115 "Revenue from Contract with Customers"**

The company has adopted Ind AS 115 "Revenue from Contracts with Customers" which is mandatory for reporting periods beginning on or after 01st April 2018. In accordance with this, the comparatives have not been retrospectively adjusted. Application of Ind AS 115 does not have any material impact on the financial results of the company.

| Particulars                                  | For the year ended 31st March 2026 |
|----------------------------------------------|------------------------------------|
| Revenues on the basis of Geographical area   |                                    |
| - Domestic Sales                             | 57,726.05                          |
| - Export Sales (Including Export Incentives) | 203.49                             |
| <b>Total</b>                                 | <b>57,929.54</b>                   |

**Trade receivables and Contract Balances**

The Company classifies the right to consideration in exchange for deliverables either as a receivable or as unbilled revenue. A receivable is a right to consideration that is unconditional upon passage of time. Revenues in excess of billings is recorded as unbilled revenue and is classified as a financial asset for these cases as right to consideration is unconditional upon passage of time. This would result in the timing of revenue recognition being different from the timing of billing the customers. Company classifies amount received as advance from customers against sales as contract liability.

**Performance obligations and remaining performance obligations**

The remaining performance obligation disclosure provides the aggregate amount of the transaction price yet to be recognised as at the end of the reporting period and an explanation as to when the

**Disaggregate revenue information**

The table below presents disaggregated revenues from contracts with customers for the year ended March 31, 2026 by contract-type. The Company believes that this disaggregation best depicts how the nature, amount, timing and uncertainty of our revenues and cash flows are affected by industry, market and other economic factors.

Company expects to recognise these amounts in revenue. Applying the practical expedient as given in para 121 of IND AS 115, the Company has not disclosed the remaining performance obligation related disclosures for contracts as the performance obligation is part of a contract that has an original expected duration of less than 1 year.

The impact on account of applying the erstwhile IND AS 18 Revenue instead of IND AS 115 Revenue from contract with customers on the financials results of the Company for the year ended as at March 31, 2026 is insignificant.

**Note 39: Disclosure as per Ind AS 108 "Operating Segments"**

The Company is engaged in Business of Textiles. Hence there is no separate business segments.

Details of Export outside country and Domestic sales within country are as under:

| Particulars                                             | Current Year     | Previous Year    |

**Note 46: Additional Regulatory Requirements as Required under Schedule III of the Companies Act 2013**

- The Company does not have any transactions with the companies which have been struck off.
- The Company has borrowed funds from banks on the basis of security of current assets. The company has filed quarterly statements with the banks or financial institution that are in principle in agreement with the books of accounts.
- The company does not hold any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made there under and no proceeding has been initiated or pending against the company.
- The company has no such transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income

Tax Act, 1961 such as search or survey or any other relevant provisions of The Income Tax Act, 1961.

- The Company has not traded or invested in Crypto Currency or Virtual Currency during the financial year.
- The company has not declared as a willful defaulter by any bank or any financial institution or any other lender at any time during the financial year.
- The company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (intermediaries) with the understanding that the Intermediary shall:
  - Directly or indirectly lend or invest in other persons or entities identified in any manner what so ever by or on behalf of the company (ultimate beneficiaries) or

- ii. Provide any Guarantee, Security or the like to or on behalf of the ultimate beneficiaries."
- h) The company has not received any fund from any person(s) or entity (ies) including foreign entities (funding party) with the understanding whether recorded in writing or otherwise that the company shall:
  - i. Directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (ultimate beneficiaries) or
  - ii. Provide any Guarantee, Security or the like on behalf of the ultimate beneficiaries.
- i) The Company has filed all type of applicable charges or satisfaction with Registrar of Companies (ROC) in time, so there are no charges or satisfaction of charges which are yet to be registered with Registrar of Companies beyond the statutory period.
- j) The company is neither a holding company of any subsidiaries companies not a subsidiary company of any holding company, hence The Company is not covered under clause (87) of section 2 of the Companies Act along with the Companies (Restriction on number of Layers) Rules, 2017.
- k) The Company has not entered in any Scheme of Arrangements which has been approved by the Competent Authority in terms of sections 230 to 237 of the Companies Act, 2013 during the year.

- l) The title deeds of all immovable properties are in the name of Company.
- m) Previous year figures have been regrouped/reclassified wherever to correspond with the current year's classification/disclosures.

#### **Note 47: First Time Adoption of Ind AS:**

These are the Company's first financial statements prepared in accordance with Indian Accounting Standards ("Ind AS") as notified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The accounting policies set out in Note 1 have been applied in preparing the financial statements for the year ended 31st March, 2026, the comparative information for the year ended 31st March, 2025 and the opening Ind AS Balance Sheet as at 1st April, 2024, being the date of transition to Ind AS. Prior to transition to Ind AS, the Company prepared its financial statements in accordance with the Accounting Standards notified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 ("Previous GAAP" / Indian GAAP). In preparing these financial statements, the Company has adjusted the amounts previously reported under Previous GAAP.

The impact of transition from Previous GAAP to Ind AS on the Company's financial position, financial performance and cash flows is explained in the accompanying reconciliations and notes forming part of these financial statements.

| <b>Other Comprehensive Income (Net of Tax)</b>                                     | <b>17.23</b>     | <b>8.53</b>      |

Upon transition from Previous GAAP to Indian Accounting Standards ("Ind AS") with effect from 1st April, 2025, the Company has carried out various recognition, measurement and reclassification adjustments in accordance with Ind AS 101 – First-time Adoption of Indian Accounting Standards. The significant adjustments are summarised below:

- The Company recognised Right-of-Use (ROU) Assets of ₹2,482.98 lakhs and corresponding

Lease Liabilities of ₹2,517.81 lakhs on transition in accordance with Ind AS 116 – Leases.

- Additional finance cost of ₹88.89 lakhs was recognised under Ind AS primarily on account of lease accounting adjustments and effective interest method requirements.
- Additional depreciation/amortisation of ₹70.94 lakhs was recognised consequent to

capitalization of Right-of-Use assets and other Ind AS measurement adjustments.

- Recognition of remeasurement gains on defined benefit obligations (Gratuity and Leave Encashment) through Other Comprehensive Income (OCI) in accordance with Ind AS 19 – Employee Benefits.
- Recognition of Other Comprehensive Income (OCI) (net of tax) of ₹17.23 lakhs relating to actuarial gains on gratuity and leave encashment obligations.
- Deferred tax impact arising on transition adjustments amounted to ₹24.64 lakhs in the Balance Sheet and ₹8.77 lakhs in the Statement of Profit and Loss.
- **As a result of the above adjustments:**
  - Profit after tax as per Previous GAAP of ₹5,314.76 lakhs stood revised to ₹5,236.57 lakhs under Ind AS for the year ended 31st March, 2026.
  - Other Equity/Retained Earnings were adjusted by ₹59.59 lakhs on transition.
  - Total Assets increased from ₹80,580.88 lakhs to ₹85,556.06 lakhs mainly due to lease accounting and related transition adjustments.
- The reconciliation of Equity and Total Comprehensive Income between Previous GAAP and IND AS has been prepared and presented as required under IND AS 101.

#### Note 48: Exemptions And Exceptions Availed:

Exemptions and Exceptions availed by the company while transition from previous GAAP to Ind AS are as follows:

1. Previous GAAP carrying value has been adopted as deemed cost for:
  - Property, Plant & Equipment;
  - Intangible Assets;
  - Investment in Associate Company.
2. No fair valuation study has been undertaken for PPE or Intangible Assets at transition date.
3. Historical business combinations prior to transition date have not been retrospectively restated.
4. Employee benefit actuarial gains/losses accumulated up to transition date have been adjusted in retained earnings.
5. Financial instruments classification and Expected Credit Loss assessment have been carried out prospectively using information available at transition date.
6. Comparative information and opening balances are based on records available with management and reasonable estimates wherever complete historical reconstruction was impracticable.
7. Management acknowledges responsibility for all judgments, estimates and elections exercised under IND AS 101.

#### Note 49: Capital Management:

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. Management monitors the return on capital as well as the level of dividends to ordinary shareholders.

#### Note 50: APPROVAL OF FINANCIAL STATEMENTS:

The Financial Statements were approved for issue by the Board of Directors on 26th May, 2026.

# INDEPENDENT AUDITOR'S REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

To,  
**THE MEMBERS OF**  
**SWARAJ SUITING LIMITED**

## **Report on the Audit of the Consolidated Financial Statements**

### **Opinion**

We have audited the accompanying Consolidated Financial Statements of SWARAJ SUITING LIMITED (hereinafter referred to as "the Holding Company") and its associate company (the Holding Company and its associate together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2026, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the Consolidated Financial Statements, including material accounting policies and other explanatory information (hereinafter referred to as the "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS"), and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2026, its consolidated profit, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows for the year ended on that date.

### **Basis for Opinion**

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI Code of Ethics.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Statements.

### **Information Other than the Financial Statements and Auditors' Report Thereon**

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures thereto, Business Responsibility and Sustainability Report, Corporate Governance Report and Shareholders' Information, but does not include the Consolidated Financial Statements and our auditor's report thereon. The aforesaid other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether such other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of such other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS"), and other accounting principles generally accepted in India.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements, the respective management and Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to

issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing ("SAs") will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to Consolidated Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the respective management and Board of Directors of the companies included in the Group.
- Conclude on the appropriateness of the respective management's and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the

related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in

- Planning the scope of our audit work and in evaluating the results of our work; and
- To evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the Group as are considered appropriate regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Other Matters**

We did not audit the financial statements of the associate company whose financial statements reflect the Group's share of net profit/(loss) of Rs. 131.07 lakhs and share of total comprehensive income/(loss) of NIL for the year ended March 31, 2026, as considered in the Consolidated Financial Statements. These financial statements / financial information have been audited by other auditor whose report has been furnished to us by the

Management, and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of the associate company, is based solely on the report of such other auditor.

Our opinion on the Consolidated Financial Statements is not modified in respect of the above matter.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("CARO 2020"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B, a statement on the matter specified in paragraph 3(xxi) of CARO 2020.
2. As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditor on the financial statements of the associate company, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
  - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditor.
  - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
  - d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
  - e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2026 taken on record by the Board of Directors of the Holding Company and the reports of the

statutory auditor of the associate company incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.

- f) With respect to the adequacy of the internal financial controls with reference to Consolidated Financial Statements of the Holding Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial controls with reference to Consolidated Financial Statements of the Holding Company.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, in our opinion and according to the information and explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Group companies does not have any pending litigations which would impact the consolidated financial position of the Group.
  - ii. The Company did not have any long-term contracts including derivative contracts, for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor education and Protection Fund by the Company.
  - iv. (a) The respective managements of the Holding Company and associate company, whose financial statements have been audited by their respective auditors, have represented that, to the best of their knowledge and belief, other than as disclosed in the notes to the

accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other source or kind of funds) by the Holding Company or associate company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or associate company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- iv. (b) The respective managements of the Holding Company and associate company, whose financial statements have been audited by their respective auditors, have represented that, to the best of their knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the Holding Company or associate company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or associate company shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- iv. (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) above contain any material misstatement.
- v. No dividend have been declared or paid during the year by the company.
- vi. Based on our examination, which included test checks, and based on the reports of the respective auditors of the

associate company, the Holding Company and its associate company have used accounting software for maintaining their respective books of account for the financial year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility, and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit and based on the reports of the respective auditors of the

associate company, we did not come across any instance of the audit trail feature being tampered with. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is applicable for the financial year ended March 31, 2026.

## ANNEXURE “A” FORMING PART OF INDEPENDENT AUDITOR’S REPORT

### Report on the Internal Financial Controls with reference to Consolidated Financial

#### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).

We have audited the internal financial controls with reference to Consolidated Financial Statements of SWARAJ SUITING LIMITED (“the Holding Company”) as of 31 March 2026 in conjunction with our audit of the Consolidated Financial Statements of the Holding Company for the year ended on that date.

In our opinion, the Holding Company has, in all material respects, adequate internal financial controls with reference to Consolidated Financial Statements and such internal financial controls with reference to Consolidated Financial Statements were operating effectively as at 31 March 2026, based on the internal financial controls with reference to Consolidated Financial Statements criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“the Guidance Note”).

#### Management’s Responsibility for Internal Financial Controls

The Board of Directors and Management of the Holding Company are responsible for establishing and maintaining internal financial controls with reference to Consolidated Financial Statements based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Holding Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors’ Responsibility

Our responsibility is to express an opinion on the Holding Company’s internal financial controls with reference to Consolidated Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (“the Guidance Note”) and the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to Consolidated Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Financial Statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company’s internal financial controls with reference to Consolidated Financial Statements.

#### Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial controls with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Financial Statements for

external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to Consolidated Financial Statements includes those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Consolidated Financial Statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that such internal financial controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Other Matters**

Our aforesaid report under Section 143(3)(i) of the Companies Act, 2013 on the internal financial controls with reference to Consolidated Financial Statements is restricted to the Holding Company and does not include internal financial controls of the associate company included in the Consolidated Financial Statements, in respect of which no report on internal financial controls with reference to financial statements has been made available to us. Our opinion is not modified in respect of this matter.

## Annexure B to the Independent Auditors' Report

**(Referred to in paragraph 1 under the heading "Report on Other Legal and Regulatory Requirements" of our report of even date)**

**Report on the matters specified in paragraph 3(xxi) of the Companies (Auditor's Report) Order, 2020 ("CARO 2020")**

In our opinion and according to the information and explanations given to us, there are no qualifications or adverse remarks by the respective auditors in the Companies (Auditor's Report) Order, 2020 reports of the companies included in the Consolidated Financial Statements.

Further, the Associate Company included in the Consolidated Financial Statements is exempt from the applicability of CARO 2020 and accordingly no reporting under paragraph 3(xxi) of CARO 2020 arises in respect thereof.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

#### Note No. 1 – General Information

##### A. Corporate Overview:

SWARAJ SUITINGS LIMITED (the “Holding Company”), incorporated on 09th June, 2003, is a Company domiciled in India and limited by shares (CIN: L18101RJ2003PLC018359). The address of the Company’s Registered Office is F-483 TO F-487, RIICO Growth Centre, Hamirgarh, Distt. Bhilwara- (Rajasthan 311025). The company is engaged in manufacturing, processing, trading, and supply of textile fabrics and related textile products. The shares of the company are listed on National Stock Exchange of India Limited. The holding company has a associate company (hereinafter collectively called “the group” or “the Company”) and accordingly these consolidated financial statements have been prepared by the group consisting of accounts of the parent and its associate.

##### B. Basis of Accounting:

- i. The notes including significant policies to the Consolidated Financial Statements are intended to serve as a guide for better understanding of the Group’s position. In this respect, the Company has disclosed such notes and policies which represent the required disclosure.
- ii. The list of associate included in the Consolidated Financial Statements are as under:

| S. No. | Name of Associate              | Proportion of ownership interest and voting power |
|--------|--------------------------------|---------------------------------------------------|
| 1.     | Modway Suiting Private Limited | 41.06                                             |

- iii. Other Equity shown in the Consolidated Balance Sheet and profit in the Consolidated Statement of Profit & Loss, Other Comprehensive income, Total Comprehensive income is after setting off the Group’s share in the loss of the associate.

##### Principles of Consolidation:

The consolidated financial statements relate to SWARAJ SUITING LIMITED and its associate has been prepared on following basis:

- a) Investment in associate companies has been accounted under the equity method as per Indian accounting standard – 28, “Investment in Associates and Joint Ventures”.
- b) The company accounts for its share of post-acquisition changes in net assets of associates, after eliminating unrealized profit or losses resulting from transaction between the company and its associate to the extent of its share, through its consolidate profit and loss statement, to the extent such change is attributable to the associates profit and loss statement and through its reserves for the balance based on available information.
- c) The difference between the cost of investment in the associate and the share of net assets at the time of acquisition of shares in the associates is identified in the financial statements as Goodwill or Capital Reserves as the case may be.
- d) As far as possible, the consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the company’s separate financial statements.

##### C. Basis of Preparation:

These Consolidated Financial Statements are prepared on Going Concern basis following Accrual basis of accounting and comply in all material aspects with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and subsequent amendments thereto, the Companies Act, 2013 (to the extent applicable), applicable provisions of the Companies Act, 2013.

##### 1. Basis of Measurement/Use of Estimates

- (i) The Consolidated Financial Statements are prepared on Accrual basis under the Historical Cost convention except certain Financial Assets and Liabilities (including Derivatives instruments) that are

measured at fair value. Historical Cost is generally based on the Fair Value of the consideration given in exchange for goods and services. Fair Value is the price that would be received to sell an asset or paid to transfer a Liability in an orderly transaction between market participants at the measurement date.

- (ii) The preparation of Consolidated Financial Statements requires judgments, estimates and assumptions that affect the reported amount of Assets and Liabilities, disclosure of Contingent Liabilities on the date of the Consolidated Financial Statements and the reported amount of Revenues and Expenses during the reporting period. The difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

## **2. Functional and Presentation Currency**

These Consolidated Financial Statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded to the nearest lacs (up to two decimals), except as stated otherwise.

## **3. Current and Non-Current classification**

The Company presents Assets and Liabilities in the Balance Sheet based on Current/Non-Current classification.

### **An Asset is Current when it is:**

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or Cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as Non-Current.

### **A Liability is Current when:**

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or

- There is no unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

All other Liabilities are classified as Non-Current and Deferred Tax Assets/Liabilities are classified as Non-Current.

## **D. Material Accounting Policies**

A summary of the material Accounting Policies applied in the preparation of the Consolidated Financial Statements are as given below. These Accounting Policies have been applied consistently to all periods presented in the Consolidated Financial Statements.

## **E. Basis of Preparation:**

### **1. Property, Plant & Equipment**

#### **1.1 Initial Recognition and Measurement**

An item of Property, Plant and Equipment is recognized as an Asset if and only if it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably.

Items of Property, Plant and Equipment are measured at Cost less Accumulated Depreciation/Amortization and Accumulated impairment losses. Cost includes expenditure that is directly attributable to bringing the asset, inclusive of non-refundable taxes & duties, to the location and condition necessary for it to be capable of operating in the manner intended by management.

When parts of an item of property, plant and equipment have different useful lives, they are recognized separately.

Items of spare parts, stand-by equipment and servicing equipment which meet the definition of Property, Plant and Equipment are capitalized.

#### **1.2 Subsequent Costs**

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably. The cost of replacing part of an item of Property, Plant and Equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The

carrying amount of the replaced part is derecognized. The costs of the day-to-day servicing of Property, Plant and Equipment are recognized in Statement of Profit or Loss as and when incurred.

### 1.3 Derecognition

Property, Plant and Equipment are derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and Losses on disposal of an item of Property, Plant and Equipment are determined by comparing the proceeds from disposal with the carrying amount of Property, Plant and Equipment, and are recognized in the Statement of Profit and Loss.

### 1.4 Depreciation

Assets are depreciated using straight line method over the estimated useful life of the asset as specified in Part “C” of Schedule II of Companies Act, 2013 except for Plant & Machinery (other than Laboratory Equipment’s, Fire Fighting Equipment’s and Tools & Equipment’s) whose estimated useful life is taken as 13 years (Triple Shift) after retaining residual life of 5% of original cost. Assets residual values and useful lives are reviewed at each financial year end considering the physical condition of the assets.

Depreciation on additions to/deductions from Property, Plant & Equipment during the year is charged on pro-rata basis from/up to the date on which the asset is available for use/disposed.

Where it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably, subsequent expenditure on a PPE along-with its unamortized depreciable amount is charged off prospectively over the revised useful life determined by technical assessment.

In circumstance, where a property is abandoned, the cumulative capitalized costs relating to the property are written off in the same period.

## 2. Capital Work-in-Progress

The cost of self-constructed assets includes the cost of materials & direct labour, any other costs directly attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by management and borrowing costs.

Expenses directly attributable to construction of property, plant and equipment incurred till they are ready for their intended use are identified and allocated on a systematic basis on the cost of related assets.

## 3. Intangible Assets and Intangible Assets under Development

### 3.1. Initial recognition and measurement

An Intangible Asset is recognized if and only if it is probable that the expected future economic benefits that are attributable to the asset will flow to the company and the cost of the asset can be measured reliably.

Intangible assets that are acquired by the Company, which have finite useful lives, are recognized at cost. Subsequent measurement is done at cost less accumulated amortization and accumulated impairment losses. Cost includes any directly attributable incidental expenses necessary to make the assets ready for its intended use.

Expenditure on development activities is capitalized only if the expenditure can be measured reliably, the product or process is technically and commercially feasible, future economic benefits are probable and the Company intends to and has sufficient resources to complete development and to use or sell the asset.

Expenditure incurred which are eligible for capitalizations under intangible assets are carried as intangible assets under development till they are ready for their intended use.

### 3.2. Subsequent Costs

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.

### 3.3. Derecognition

An Intangible Asset is derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and Losses on disposal of an item of Intangible Assets are determined by comparing the proceeds from disposal with the carrying amount of Intangible Assets and are recognized in the Statement of Profit and Loss.

### 3.4. Amortization

Intangible Assets having definite life is amortized on straight line method in their useful lives. Useful life of Computer Software is estimated at five years.

### 4. Borrowing Cost

Borrowing costs that are directly attributable to the acquisition, construction, exploration, development or erection of qualifying assets are capitalized as part of cost of such asset until such time the assets are substantially ready for their intended use. Qualifying assets are assets which take a substantial period of time to get ready for their intended use or sale. Capitalization of borrowing costs ceases when substantially all the activities necessary to prepare the qualifying assets for their intended uses are complete. Borrowing costs consist of:

- a) Interest expense calculated using the effective interest method as described in Ind AS 109 – 'Financial Instruments',
- b) Finance charges in respect of finance leases recognized in accordance with Ind AS 116 – 'Leases',
- c) Exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs and,
- d) Other costs that an entity incurs in connection with the borrowing of funds. Income earned on temporary investment of the borrowings pending their expenditure on the qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are charged to revenue as and when incurred.

### 5. Statement of Cash Flows

Cash Flow Statement has been prepared in accordance with the indirect method prescribed in Ind AS 7 'Statement of Cash Flows'.

### 6. Inventories

Inventories are valued at the lower of cost and net realisable value. Cost includes cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business, less estimated

costs of completion and the estimated costs necessary to make the sale. Spare parts other than those capitalized as Property, Plant and Equipment are carried as inventory. The diminution in the value of obsolete, unserviceable and surplus stores & spares is ascertained on review and provided for.

### 7. Cash and Cash Equivalent

Cash and cash equivalent in the Balance Sheet comprises Cash at Banks, Cash on Hand and Short-Term Deposits with an original maturity of three months or less, which are subject to insignificant risk of change in value.

### 8. Government Grants

Government grants are recognized where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions. When the government grant relates to an asset, the asset is disclosed by deducting that grant in arriving at the carrying amount of that asset. Government grants that compensate the Company for expenses incurred are recognized in the statement of profit and loss, as income or deduction from the relevant expense, on a systematic basis in the periods in which the expense is recognized.

### 9. Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably. The expense relating to

a provision is presented in the statement of profit and loss net of any reimbursement.

Contingent Liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a Contingent Liability, unless the probability of outflow of economic benefits is remote. Contingent Liabilities are disclosed on the basis of judgment of the management/independent experts. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

Contingent Assets are possible assets that arise from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent Assets are disclosed in the financial statements when inflow of economic benefits is probable on the basis of judgment of management. These are assessed continually to ensure that developments are appropriately reflected in the consolidated financial statements.

## 10. Foreign Currency Transactions and Translation

Transactions in foreign currencies are initially recorded at the functional currency rates at the date the transaction first qualifies for recognition.

Monetary Assets and Liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognized in Statement of Profit and Loss in the year in which it arises. Non-monetary items are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction.

## 11. Revenue Recognition

The Company derives revenues primarily from business of textiles. Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services.

Ind AS 115 moves away from the “transfer of risk and rewards” approach and introduces a new “transfer

of control” approach delivered through the new five step model described as follows:

1. Identify the contract with a customer.
2. Identify the separate performance obligations in the contract.
3. Determine the transaction Price.
4. Allocate the transaction price to the separate performance obligations.
5. Recognize revenue when (or as) each performance obligation is satisfied.

At contract inception, an entity assesses the goods or services promised in a contract with a customer and identify each performance obligation promised to be transferred to the customer either:

- a) A good or service (or a bundle of goods or services) that is distinct; or
- b) A series of distinct goods or services that are substantially the same and that have the same pattern of transfer to the customer.

The company classifies the right to consideration in exchange for deliverables as either a receivable or as a contract asset. A receivable is a right to consideration that is unconditional upon passage of time. Revenues in excess of billings is recorded as contract asset and is classified as a financial asset for these cases a right to consideration is unconditional upon passage of time. This would result in the timing of revenue recognition being different from the time of billing the customers.

Company classifies amount received as advance from customers against sales as contract liability.

Trade receivables and unbilled revenues are presented net of impairment in the Balance Sheet.

### 11.1 Sale of Goods

Revenue from the sale of goods is recognized upon transfer of control of the goods have passed to the buyer, which generally coincides with dispatch. Revenue from export sales are recognized on shipment basis. Revenue from the sale of goods is measured at an amount that reflects the consideration we expect to receive in exchange for those products (i.e. the transaction price). The Company presents revenues net of indirect taxes, returns and allowances, trade discounts and volume rebates in its Statement of Profit and Loss.

### 11.2 Rendering of services

Revenue from Job work services is recognized based on the services rendered in accordance with the terms of contracts.

### 11.3 Other Export Benefit

Export benefits are accounted for in the year of export at net market realizable value.

### 11.4 Other Income

Revenue from transactions or events that do not arise from a contract with a customer not in the scope of Ind AS 115 are continue to be recognized in accordance with the other standards. Such Income includes Interest and Dividend income which are dealt with in Ind AS 109 and Rental income to be accounted as per Ind AS 116.

### 11.5 Interest Income

For all financial instruments measured at amortized cost and interest-bearing financial assets classified as fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). The EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in other income in the statement of profit or loss.

### 11.6 Dividend

Dividend Income is recognized when the company's right to receive is established which generally occurs when the shareholders approve the dividend.

### 11.7 Income other than Interest and Dividend

Other income is recognized in the Statement of Profit and Loss when increase in future economic benefits related to an increase in an asset or a decrease of a liability has arisen that can be measured reliably.

## 12. Employee Benefits

### 12.1. Short Term Benefit

Short-term employee benefit obligations are measured on an undiscounted basis and are booked as an expense as the related service is provided. A liability is recognized for the amount expected to be paid under performance related pay if the Company has a present legal or

constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

### 12.2. Post-Employment Benefits

Employee Benefit that are payable after the completion of employment are Post-Employment Benefit (other than termination benefit). These are of two types:

**12.2.1. Defined Contribution Plans** are those plans in which an entity pays fixed contribution into separate entities and will have no legal or constructive obligation to pay further amounts. Provident Fund and Family Pension Funds are Defined Contribution Plans in which company pays a fixed contribution and will have no further obligation.

**12.2.2. Defined Benefit Plans** is a post-employment benefit plan other than a defined contribution plan. Company pays Gratuity as per provisions of the Gratuity Act, 1972. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognized past service costs and the fair value of any plan assets are deducted. The discount rate is based on the prevailing market yields of Indian government securities as at the reporting date that have maturity dates approximating the terms of the Company's obligations and that are denominated in the same currency in which the benefits are expected to be paid.

The calculation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a liability to the company, the present value of liability is recognized as provision for employee benefit. Any actuarial gains or losses in respect of gratuity are recognized in OCI in the period in which they arise.

### 12.3 Other Long-Term Employee Benefits

Benefits under the Company's Leave Encashment Scheme constitute other long-term employee benefits. The Company's net obligation in respect of leave encashment is the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value, and

the fair value of any related assets is deducted. The discount rate is based on the prevailing market yields of Indian government securities as at the reporting date that have maturity dates approximating the terms of the Company's obligations. The calculation is performed using the projected unit credit method. Any actuarial gains or losses are recognized in profit or loss in the period in which they arise.

### 13. Income Taxes

Income Tax Expense comprises Current and Deferred Tax. Current Tax Expense is recognized in Statement of Profit and Loss A/c except to the extent that it relates to items recognized directly in other comprehensive income or equity, in which it is recognized in OCI or Equity.

Current Tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted and as applicable at the reporting date, and any adjustment to tax payable in respect of previous years. Current Income Taxes are recognized under 'Income Tax payable' net of payments on account, or under 'Tax receivables' where there is a debit balance.

Deferred Tax is recognized using the Balance Sheet method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred Tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred Tax Assets and Liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle Current Tax Liabilities and Assets on a net basis or their tax assets and liabilities will be realized simultaneously.

Deferred Tax is recognized in Statement of Profit and Loss except to the extent that it relates to items recognized directly in OCI or Equity, in which case it is recognized in OCI or Equity.

A Deferred Tax Asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent

that it is no longer probable that the related tax benefit will be realized.

### 14. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### Financial Assets

##### Initial recognition and measurement

All financial assets are recognized initially at fair value plus or minus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition or issue of the financial asset.

##### Impairment of Financial Assets

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets and credit risk exposure.

For recognition of impairment loss on financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used.

If, in a subsequent period, the credit quality of the instrument improves then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

In respect of Trade receivables or any financial asset that result from transactions that are within the scope of Ind AS 115, company follows 'simplified approach' for recognition of impairment loss allowance within the scope of Ind AS 115, if they do not contain a significant financing component. It recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

#### a. Financial Liabilities

##### Initial recognition and measurement

All Financial Liabilities are recognized at fair value and in case of loans, net of directly attributable transaction cost. Fees of recurring nature are directly recognized in the Statement of Profit and Loss as finance cost.

### Subsequent Measurement

Financial Liabilities are carried at amortized cost using the effective interest method. Amortized cost is calculated by taking into account any discount or premium on acquisition and any material transaction that are any integral part of the EIR. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate the fair value of the instrument.

### Derecognition

A Financial Liability is derecognized when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

## 15. CSR Expenditure

The Company undertakes Corporate Social Responsibility (CSR) activities as per Section 135 of the Companies Act, 2013 and the Companies (CSR Policy) Rules, 2014. CSR expenditure includes amounts incurred on activities that are approved as ongoing projects by the Board in line with the CSR policy and applicable law.

CSR expenditure is recognized in the Statement of Profit and Loss in the period in which it is incurred. For ongoing projects, any unspent amount at the end of the financial year is transferred to a separate "Unspent CSR Account" with a scheduled bank within 30 days from the end of the financial year, in accordance with Section 135(6) of the Act. Such amounts are spent within the timelines prescribed under Rule 4(6) of the CSR Rules.

The Company does not capitalize any CSR expenditure unless it results in the creation of an asset controlled by a qualifying entity as specified under Rule 7(4) of the CSR Rules.

## F. Other Accounting Policies

### 1. Leases:

#### 1.1 Recognition: The Company as a Lessee-

The Company's Lease Asset classes primarily consist of Leases for Plant and Machinery. The

Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) The contract involves the use of an identified asset
- (ii) The Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) The Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised. The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of

domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

## 1.2 Accounting for

### 1.2.1 Operating Leases

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating lease. Payments made under operating leases are recognized as an expense over the lease term.

### 1.2.2 Finance Lease

Leases of Property, Plant and Equipment where the Company, as lessee has substantially all risks and rewards of ownership are classified as finance lease. On initial recognition, assets held under finance leases are recorded as Property, Plant and Equipment and the related liability is recognized under borrowings. At inception of the lease, finance leases are recorded at amounts equal to the fair value of the leased asset or, if lower, the present value of the minimum lease payments. Minimum lease payments made under finance leases are apportioned between the finance expense and the reduction of the outstanding liability.

## 2. Impairment of Non-Financial Assets

The carrying amounts of the Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment considering the provisions of Ind AS 36 'Impairment of Assets'. If any such indication exists, then the asset's recoverable amount (higher of its fair value less costs to disposal or its value in use) is estimated. An impairment loss is recognized if the carrying amount of an asset or its Cash Generating Unit (CGU) exceeds its estimated recoverable amount. Impairment losses are recognized in profit or loss.

Impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the

recoverable amount which is only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

## 3. Dividends

Dividends and Interim dividends payable to a Company's shareholders are recognized as changes in equity in the period in which they are approved by the shareholders' meeting and the Board of Directors respectively.

## 4. Material Prior Period Errors

Material prior period errors are corrected retrospectively by restating the comparative amounts for the prior periods presented in which the error occurred. If the error occurred before the earliest prior period presented, the opening balances of assets, liabilities and equity for the earliest prior period presented, are restated.

## 5. Earnings per Share

Basic earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the financial year.

Diluted earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

## E. Major Estimates made in preparing Consolidated Financial Statements:

### 1. Useful life of Property, Plant and Equipment and Intangible Assets

The estimated useful life of Property, Plant and Equipment is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological Advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

Useful life of the assets other than Plant and machinery (except Laboratory Equipments, Fire Fighting Equipment and Tools & Equipments) are in

accordance with Schedule II of the Companies Act, 2013.

The Company reviews at the end of each reporting date the useful life of property, plant and equipment, and are adjusted prospectively, if appropriate. Intangible assets are being amortized on straight line basis over the period of five years.

## **2. Post-Employment Benefit Plans**

Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning

Future developments in discount rates, the rate of salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate and documented. However, any changes in these assumptions may have a material impact on the resulting calculations.

## **3. Provisions and Contingencies**

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with Ind AS 37, 'Provisions, Contingent Liabilities and Contingent Assets'.

The evaluation of the likelihood of the contingent events requires best judgment by management regarding the probability of exposure to potential loss. In case of change in the circumstances following unforeseeable developments, the likelihood could alter.

The preparation of consolidated financial statements is in conformity with IND AS requires management to make estimates, judgements and assumptions that affect the reported amounts of assets, liabilities, income, expenses and disclosures of contingent liabilities at the date of the consolidated financial statements.

Actual results may differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

### **Significant other estimates and judgements include:**

- Recognition of deferred tax assets;
- Expected credit loss allowance;
- Fair valuation of financial instruments;
- Determination of lease term and discount rate.

## STATEMENT OF CHANGES IN EQUITY

(₹ In Lakhs, unless otherwise stated)

### A. Equity Share Capital

| Particulars                                                | Amount          |
|------------------------------------------------------------|-----------------|
| <b>Balance at 1st April, 2024</b>                          | 1,821.73        |
| Changes in Equity Share Capital due to prior period errors | –               |
| Restated balance at 1st April, 2024                        | 1,821.73        |
| Changes in equity share capital during the year            | 380.10          |
| <b>Balance at 31st March, 2025</b>                         | <b>2,201.83</b> |
| <b>Balance at 1st April, 2025</b>                          | <b>2,201.83</b> |

**Rights, preferences and restrictions attached to shares****Equity Shares**

The Company has only one class of Equity Shares having a par value of Rs. 10.00 per share. Each shareholder is eligible for one vote per share held. The dividend proposed by the Board of Directors is subject to the approval of shareholders in the ensuing Annual General Meeting, except in case of interim dividend. In the event of liquidation, the Equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts, in proportion to their shareholding.

## DISCLOSURES AND ADDITIONAL INFORMATION

(₹ In Lakhs, unless otherwise stated)

### Note 36: Disclosure as per Ind AS 19 "Employee Benefits"

#### a) Defined Contribution Plan

The Company makes contributions towards Employees Provident Fund for qualifying employees. The Fund is operated by the Regional Provident Fund Commissioner. The amount of contribution is recognised as expense for defined contribution plans.

#### b) Defined Benefit Plan & Other Long-Term Benefits

##### i. Gratuity

The Company makes payment to vested employees at retirement, disability or

termination of employment as per provisions of Payment of Gratuity Act, 1972. The provision of Gratuity liability as on the Balance Sheet date is done on actuarial valuation basis for qualifying employees and the same is funded in the funds held under the Gratuity Plan by Trust.

The present value of the Defined Benefits obligation and the related current service cost is measured using the Projected Unit Credit Actuarial Method at the end of Balance Sheet date by the Actuary.

ii. The following table set out the status of Gratuity and Leave encashment plans as required under Ind AS-19:

**(f) Sensitivity Analysis as at 31st March, 2026:**

| Particulars                                                         | Gratuity |
|---------------------------------------------------------------------|----------|
| Defined benefit Obligation – Discount Rate+50 Basis points          | (7.80)   |
| Defined benefit Obligation – Discount Rate-50 Basis points          | 8.48     |
| Defined benefit Obligation – Salary Escalation Rate+50 Basis points | 7.27     |
| Defined benefit Obligation – Salary Escalation Rate-50 Basis points | (6.79)   |

(g) The estimates of future salary increase considered in actuarial valuation, take account of inflation, seniority, promotions and other relevant factors such as supply and demand in the employment market.

(h) The discount rate is based on prevailing market yields of Indian Government Bonds, as at the balance sheet date, consistent with the currency and estimated term of the post-employment benefit obligations.

## Note 37 – Disclosure as per Ind AS 107 “Financial instrument disclosure”

### i. Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to ensure that it maintains an efficient capital structure and healthy capital ratios in order to support its business and maximize shareholder value.

The Company manages its capital so as to safeguard its ability to continue as a going concern and to optimise returns to shareholders. The capital structure of the Company is based on management's judgment of its strategic and day-

to-day needs with a focus to maintain investor, creditors and market confidence. The management and the Board of Directors monitors the return on capital as well as the level of dividends to shareholders. The Company may take appropriate steps in order to maintain, or if necessary adjust, its capital structure, in light of changes in economic conditions and the requirement of financial Covenants.

The Company monitors capital using a gearing ratio, which is calculated by dividing Net Debt from the Equity. The Company includes within Net Debt, interest bearing loans and borrowings less cash and short-term deposits (including other bank balance) and under Equity, the Equity Share Capital plus other Equity (excluding Preference Share Capital) is considered.

### ii. Financial Risk Management

The Company's Financial Risk Management is an integral part of how to plan and execute its business strategies. The Company's financial risk management is set by the Managing Board. The Board of directors has established the risk management committee, which is responsible for developing and monitoring the Company's risk management policies. The Committee reports regularly to the board of directors on its activities.

Company is exposed to following risk from the use of its financial instrument:

- Credit Risk
- Liquidity Risk
- Market Risk

for the year ended 31st March, 2026

#### (a) Credit Risk

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the

Company. The Company categories a loan or receivable for write off when a debtor fails to make contractual payments greater than 2 years past due. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.

#### Provision for Expected Credit or Loss

##### (a) Financial assets for which loss allowance is measured using 12 month expected credit losses:

The Company has assets where the counter-parties have sufficient capacity to meet the obligations and where the risk of default is very low. Accordingly, no loss allowance for impairment has been recognised.

##### (b) Financial assets for which loss allowance is measured using life time expected credit losses:

The Company provides loss allowance on trade receivables using life time expected credit loss and as per simplified approach.

**(b) Liquidity Risk**

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. The Company's finance department is responsible for liquidity, funding as

well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on basis of expected cash flows.

The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

**As on 31.03.2026**

| Contractual Maturities of Financial Liabilities | Contractual Cash Flows |             |           |           |                   | Total            |
|-------------------------------------------------|------------------------|-------------|-----------|-----------|-------------------|------------------|
|                                                 | 3 Months or less       | 3-12 Months | 1-2 years | 2-5 years | More than 5 years |                  |

**\*Includes contractual interest payment based on interest rate prevailing at the end of the reporting period over the tenure of the borrowing.**

### (c) Market Risk

Considering the Company's existing foothold/experience in the Textile sector, established & diversified client base, association with various international/domestic agents, it's competent sales team and an established marketing setup in India and International Market, it does not foresee any problem in marketing its production.

Market Risk is the risk of loss of future earnings, fair values of future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchanges rates, equity prices and other market changes that effect market risk sensitive instruments.

Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, and other market changes.

The Company manages market risk through a finance department, which evaluates and exercises independent controlover the entire process of market risk management. The finance department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures, borrowing strategies, and ensuring compliance with market risk limits and policies.

### i) Interest Rate Risk:

It is the risk where changes in market interest rates might adversely affect the company's financial condition. The short term/immediate impact of changes in interest rates are on the Company's net interest income/expenses. On a longer term, change in interest rate impact the cash flows on the assets, liabilities and off-balance sheet items, giving rise to a risk to the net worth of the Company arising out of all reprising mismatches and other interest rate sensitive positions.

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rate. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

At the reporting date the interest rate profile of the Company's interest-bearing financial instruments is as follows:

#### Detail of financial instrument bearing interest rate risk

At the reporting date the interest rate profile of the Company's interest bearing financial instrument is at its fair value:

| Particulars                           | As at 31st March 2026 | As at 31st March 2025 |
|---------------------------------------|-----------------------|-----------------------|
| <b>Variable Rate Instruments</b>      |                       |                       |
| Long Term Borrowings                  | 18,578.10             | 18,875.45             |
| Current Maturities of Long Term Debts | 1,815.80              | 1,636.53              |
| Short Term Borrowings                 | 9,760.67              | 6,272.35              |
| <b>Total</b>                          | <b>30,154.57</b>      | <b>26,784.32</b>      |

### Note 38: Disclosure as per Ind AS 115 "Revenue from Contract with Customers"

The company has adopted Ind AS 115 "Revenue from Contracts with Customers" which is mandatory for reporting periods beginning on or after 01st April 2018. In accordance with this, the comparatives have not been retrospectively adjusted. Application of Ind AS 115 does not have any material impact on the financial results of the company.

### Disaggregate revenue information

The table below presents disaggregated revenues from contracts with customers for the year ended March 31, 2026 by contract-type. The Company believes that this disaggregation best depicts how the nature, amount, timing and uncertainty of our revenues and cash flows are affected by industry, market and other economic factors.

| Particulars                                       | For the year ended 31st March 2026 |
|---------------------------------------------------|------------------------------------|
| <b>Revenues on the basis of Geographical area</b> |                                    |
| - Domestic Sales                                  | 57,726.05                          |
| - Export Sales (Including Export Incentives)      | 203.49                             |
| <b>Total</b>                                      | <b>57,929.54</b>                   |

(₹ In Lakhs, unless otherwise stated)

**Trade receivables and Contract Balances**

The Company classifies the right to consideration in exchange for deliverables either as a receivable or as unbilled revenue. A receivable is a right to consideration that is unconditional upon passage of time. Revenues in excess of billings is recorded as unbilled revenue and is classified as a financial asset for these cases as right to consideration is unconditional upon passage of time. This would result in the timing of revenue recognition being different from the timing of billing the customers. Company classifies amount received as advance from customers against sales as contract liability.

**Performance obligations and remaining performance obligations**

The remaining performance obligation disclosure provides the aggregate amount of the transaction price yet to be recognised as at the end of the reporting period and an explanation as to when the Company expects to recognise these amounts in

revenue. Applying the practical expedient as given in para 121 of IND AS 115, the Company has not disclosed the remaining performance obligation related disclosures for contracts as the performance obligation is part of a contract that has an original expected duration of less than 1 year.

The impact on account of applying the erstwhile IND AS 18 Revenue instead of IND AS 115 Revenue from contract with customers on the financials results of the Company for the year ended as at March 31, 2026 is insignificant.

**Note 39: Disclosure as per Ind AS 108 "Operating Segments"**

The Company is engaged in Business of Textiles. Hence there is no separate business segments.

Details of Export outside country and Domestic sales within country are as under:

| Particulars                                             | Current Year     | Previous Year    |

**Note 46: Additional Regulatory Requirements as Required under Schedule III of the Companies Act 2013**

- A. The Company does not have any transactions with the companies which have been strucked off.
- B. The Company has borrowed funds from banks on the basis of security of current assets. The company has filed quarterly statements with the banks or financial institution that are in principle in agreement with the books of accounts.
- C. The company does not hold any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made there under and no proceeding has been initiated or pending against the company.
- D. The company has no such transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 such as search or survey or any other relevant provisions of The Income Tax Act, 1961.
- E. The Company has not traded or invested in Crypto Currency or Virtual Currency during the financial year.
- F. The company has not declared as a willful defaulter by any bank or any financial institution or any other lender at any time during the financial year.
- G. The company has not advanced or loaned or invested funds to any other person(s) or

entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

- Directly or indirectly lend or invest in other persons or entities identified in any manner what so ever by or on behalf of the company (ultimate beneficiaries) or
  - Provide any Guarantee, Security or the like to or on behalf of the ultimate beneficiaries."
- H. The company has not received any fund from any person(s) or entity (ies) including foreign entities (funding party) with the understanding whether recorded in writing or otherwise that the company shall:
- Directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (ultimate beneficiaries) or
  - Provide any Guarantee, Security or the like on behalf of the ultimate beneficiaries.
- I. The Company has filed all type of applicable charges or satisfaction with Registrar of Companies (ROC) in time, so there are no charges or satisfaction of charges which are yet to be registered with Registrar of Companies beyond the statutory period.
- J. The company is neither a holding company of any subsidiaries companies not a subsidiary company of any holding company, hence The Company is not covered under clause (87) of section 2 of the Companies Act along with the Companies (Restriction on number of Layers) Rules, 2017.

- K. The Company has not entered in any Scheme of Arrangements which has been approved by the Competent Authority in terms of sections 230 to 237 of the Companies Act, 2013 during the year.
- L. The title deeds of all immovable properties are in the name of Company.
- M. Previous year figures have been regrouped/reclassified wherever to correspond with the current year's classification/disclosures.

**Note 47: First Time Adoption of Ind AS:**

These are the Company's first financial statements prepared in accordance with Indian Accounting Standards ("Ind AS") as notified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The accounting policies set out in Note 1 have been applied in preparing the

financial statements for the year ended 31st March, 2026, the comparative information for the year ended 31<sup>st</sup> March, 2025 and the opening Ind AS Balance Sheet as at 1<sup>st</sup> April, 2024, being the date of transition to Ind AS. Prior to transition to Ind AS, the Company prepared its financial statements in accordance with the Accounting Standards notified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 ("Previous GAAP" / Indian GAAP). In preparing these financial statements, the Company has adjusted the amounts previously reported under Previous GAAP.

The impact of transition from Previous GAAP to Ind AS on the Company's financial position, financial performance and cash flows is explained in the accompanying reconciliations and notes forming part of these financial statements.

Upon transition from Previous GAAP to Indian Accounting Standards ("Ind AS") with effect from 1st April, 2025, the Company has carried out various recognition, measurement and reclassification adjustments in accordance with Ind AS 101 – First-time Adoption of Indian Accounting Standards. The significant adjustments are summarised below:

- The Company recognised Right-of-Use (ROU) Assets of ₹2,482.98 lakhs and corresponding Lease Liabilities of ₹2,517.81 lakhs on transition in accordance with Ind AS 116 – Leases.
- Additional finance cost of ₹88.89 lakhs was recognised under Ind AS primarily on account of

lease accounting adjustments and effective interest method requirements.

- Additional depreciation/amortisation of ₹70.94 lakhs was recognised consequent to capitalization of Right-of-Use assets and other Ind AS measurement adjustments.
- Recognition of remeasurement gains on defined benefit obligations (Gratuity and Leave Encashment) through Other Comprehensive Income (OCI) in accordance with Ind AS 19 – Employee Benefits.
- Recognition of Other Comprehensive Income (OCI) (net of tax) of ₹17.23 lakhs relating to

actuarial gains on gratuity and leave encashment obligations.

- Deferred tax impact arising on transition adjustments amounted to ₹24.64 lakhs in the Balance Sheet and ₹8.77 lakhs in the Statement of Profit and Loss.
- The reconciliation of Equity and Total Comprehensive Income between previous GAAP and IND AS has been prepared and presented as required under IND AS 101.

**Note 48: Exemptions And Exceptions Availed:**

Exemptions and Exceptions availed by the company while transition from previous GAAP to Ind AS are as follows:

1. Previous GAAP carrying value has been adopted as deemed cost for:
  - Property, Plant & Equipment;
  - Intangible Assets;
  - Investment in Associate Company.
2. No fair valuation study has been undertaken for PPE or Intangible Assets at transition date.
3. Historical business combinations prior to transition date have not been retrospectively restated.

4. Employee benefit actuarial gains/losses accumulated up to transition date have been adjusted in retained earnings.
5. Financial instruments classification and Expected Credit Loss assessment have been carried out prospectively using information available at transition date.
6. Comparative information and opening balances are based on records available with management and reasonable estimates wherever complete historical reconstruction was impracticable.
7. Management acknowledges responsibility for all judgments, estimates and elections exercised under IND AS 101.

**Note 49: Capital Management:**

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. Management monitors the return on capital as well as the level of dividends to ordinary shareholders.

**Note 50: APPROVAL OF FINANCIAL STATEMENTS:**

The Financial Statements were approved for issue by the Board of Directors on 26th May, 2026.
